Microchip Technology Declares Quarterly Cash Dividend Increase to 41.3 Cents Per Share

CHANDLER, Ariz., May 06, 2021 (GLOBE NEWSWIRE) -- (NASDAQ: MCHP) – Microchip Technology Incorporated, a leading provider of smart, connected and secure embedded control solutions, today announced that its Board of Directors has declared a quarterly cash dividend on its common stock of 41.3 cents per share. The dividend is payable on June 4, 2021 to stockholders of record on May 21, 2021. Microchip initiated quarterly cash dividend payments in the third quarter of fiscal year 2003 and has increased its dividend 67 times since its inception.

“Microchip’s financial performance in the March 2021 quarter was very strong driving significant cash generation and debt reduction,” said Steve Sanghi, Executive Chairman. “The Microchip Board of Directors initiated a path to higher dividends in our February 2021 dividend announcement as part of our cash return strategy. Our Board is pleased to declare a 5.9% increase in our quarterly dividend to a record 41.3 cents per share, which continues to reflect confidence in the cash-generating capability of our business, as well as our ongoing commitment to returning value to our stockholders.”

Cautionary Statement:

The statements contained in this release relating to our path to higher dividends, our cash return strategy, confidence in the cash-generating capability of our business, and our ongoing commitment to returning value to our stockholders are forward-looking statements made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. These statements involves risks and uncertainties that could cause actual results to differ materially, including, but not limited to: uncertainties related to the impact of the COVID-19 pandemic on the economy, our business and the business of our customers and suppliers, actual cash flows generated from and used in the operation of our business; actual or projected levels of capital expenditures; our balance of cash and investments; changes in the tax rates that our stockholders pay on our dividends or other changes in U.S. tax laws including the Tax Cut and Jobs Act of 2017; our available borrowings under our credit agreement; the impact of any significant acquisitions we may make; our ability to realize the expected benefits of our acquisitions, changes in

demand or market acceptance of our products and the products of our customers and our ability to meet any increases in market demand; the mix of inventory we hold and our ability to satisfy short-term orders from our inventory; changes in utilization of our manufacturing capacity and our ability to effectively manage our production levels and increase production to meet any increases in market demand; our ability to obtain additional capacity from our wafer foundries and other suppliers to increase production to meet any increases in market demand; our ability to control the level of operating expenses relative to our level of revenues; competitive developments including pricing pressures; the level of orders that are

received and can be shipped in a quarter; changes or fluctuations in customer order patterns and seasonality; the costs and outcome of any current or future litigation or other matters involving our Microsemi acquisition, the Microsemi business, intellectual property, customers, or other issues; the costs and outcome of any current or future tax audit or investigation regarding our business or the business of Microsemi; disruptions in our business or the businesses of our customers or suppliers due to natural disasters (including any floods in Thailand), terrorist activity, armed conflict, war, worldwide oil prices and supply, public health concerns (including COVID-19) or disruptions in the transportation system; and general economic, industry or political conditions in the United States or internationally.

For a detailed discussion of these and other risk factors, please refer to Microchip's filings on Forms 10-K and 10-Q. You can obtain copies of Forms 10-K and 10-Q and other relevant documents for free at Microchip's website (www.microchip.com) or the SEC's website (www.sec.gov) or from commercial document retrieval services.

Stockholders of Microchip are cautioned not to place undue reliance on our forward-looking statements, which speak only as of the date such statements are made. Microchip does not undertake any obligation to publicly update any forward-looking statements to reflect events, circumstances or new information after this May 6, 2021 press release, or to reflect the occurrence of unanticipated events.
