COLUMBIA, MD (BUSINESS WIRE) February 5, 2026 - COPT Defense Properties ("COPT Defense" or the "Company") (NYSE: CDP) announced results for the fourth quarter and full year ended December 31, 2025.

Management Comments

Stephen E. Budorick, COPT Defense's President & Chief Executive Officer, commented, "We achieved excellent results in 2025, evidenced by our outperformance in FFO, leasing and capital commitments to new investments, along with our success in closing on three financings, which pre-fund our 2026 bond maturity and provide \$400 million of additional liquidity to fund our external growth. We generated FFO per share growth, which represented a 5.8% increase over 2024's results.

We executed 557,000 square feet of vacancy leasing, which was nearly 40% higher than our initial target. Our leasing success resulted in a 40 basis point year-over-year increase in our Total Portfolio occupancy to 94.0% and a 20 basis point increase in our Total Portfolio leased rate to 95.3%.

We committed \$278 million to 5 new investments during 2025, that are 81% pre-leased on a weighted average basis, which speaks to our ability to capitalize on opportunities that drive exceptional risk-adjusted returns and fit within our broader strategy of allocating capital to locations that support priority national defense missions. Importantly, 4 of these 5 capital commitments represent an existing tenant expanding in our portfolio.

We have generated FFO per share growth in each of the past 7 years, which amounts to a compound annual growth rate of 5.0% between 2019 and 2025. Looking forward, our guidance implies continued growth in 2026, with FFO per share growth of 1.1% at the midpoint, which is in-line with our historical performance after adjusting for an increase in financing costs."
