Lifeboat Distribution Named Quest Distributor to Meet the Growing Demand for Data Protection and Endpoint Systems Management Solutions in the North America Region

Lifeboat partners now have access to the world's most complete and innovative data protection solutions

EATONTOWN, N.J., March 13, 2018 (GLOBE NEWSWIRE) -- Lifeboat Distribution, an international value-added distributor for virtualization, security, business continuity and other technically sophisticated products, today announced it has been named a Quest Software distribution partner. Lifeboat partners will now have access to the full range of Quest data protection and endpoint systems management solutions and receive local support to its network of value-added resellers, system integrators, and managed service providers in the United States and Canada.

Under the agreement, Lifeboat will promote, distribute and support Quest's products, enabling resellers and their end-users to simplify data protection and endpoint security needs across IT infrastructures so they can spend less time on IT administration and more time on IT innovation in the North America region.

"We are honored to be a distribution partner of Quest. This relationship will allow Lifeboat to extend our reach and add an assortment of great software products to our portfolio. Having the ability to offer Quest's complete solution suite, we can now supply our channel partners with the most comprehensive and innovative offerings in systems management, security and business intelligence and innovative data protection offerings in the marketplace today," added Brian Gilbertson, VP & GM of Lifeboat Distribution.

"We are committed to our partner ecosystem as they play a vital role in ensuring our customers' toughest technology challenges are addressed with great products, great service, and through an easy to work with business model," said George Karabatsos, Director of Global Distribution and Channel Sales, Quest Software. "Lifeboat Distribution has a proven track record in distribution, excellent knowledge of the Quest data protection solutions portfolio, and deep reach in the channel community. We're excited to have Lifeboat as a valued Quest distribution partner of our data protection offerings, including Quest Rapid Recovery, and the KACE solutions in North America."
