About Wayside Technology Group, Inc.

Wayside Technology Group, Inc. (NASDAQ: WSTG) is an IT channel company providing innovative sales and distribution solutions to technology vendors, resellers and system integrators since 1982. Wayside operates Lifeboat Distribution, a value-added distributor for virtualization/cloud computing, security, application and network infrastructure, business continuity/disaster recovery, database infrastructure and management, application lifecycle management, science/engineering, and other technically sophisticated products. The company helps vendors recruit and build multinational solution provider networks, power their networks, and drive incremental sales revenues that complement existing sales channels. Lifeboat Distribution services thousands of solution providers, VARs, systems integrators, corporate resellers, and consultants worldwide, helping them power a rich opportunity stream and build profitable product and service businesses. The Company also offers specialty solutions to customers through its TechXtend business.
