For those unable to listen to the live call, a replay will be available through March 29, 2020 by calling 201-612-7415 and using pass code 13699792#. Also, an archive of the webcast will be available shortly after the call on the company's website at www.basices.com for approximately 30 days.

About Basic Energy Services

Basic Energy Services provides wellsite services essential to maintaining production from the oil and gas wells within its operating areas. The Company's operations are managed regionally and are concentrated in major United States onshore oil-producing regions located in Texas, New Mexico, Oklahoma, Arkansas, Kansas, Louisiana, Wyoming, North Dakota, California and Colorado. Our operations are focused in liquids-rich basins that have historically exhibited strong drilling and production economics in recent years with a significant presence in the Permian Basin, Powder River Basin, and the Bakken, Eagle Ford, and Denver-Julesburg shales. We provide our services to a diverse group of over 2,000 oil and gas companies. Additional information is available on the Company's website at www.basices.com.
