Lifeboat Distribution Named Exclusive North American Distributor for Bluebeam, Inc.

Lifeboat and Bluebeam Announce Strategic Alliance to Accelerate Partner Success

EATONTOWN, N.J., May 16, 2017 (GLOBE NEWSWIRE) -- Lifeboat Distribution, an international value added distributor for virtualization, security, business continuity and other technically sophisticated products, announced today exclusive rights to distribute Bluebeam's full suite of innovative technology solutions in North America.

This alliance underlines Bluebeam's commitment to helping partners accelerate their success selling Bluebeam. Bluebeam offers a profitable partner program, simple and versatile solutions, training and certification, and many additional benefits to partners. This exclusive engagement ensures solution providers receive all the benefits of partnering with Bluebeam, paired with the speed, accuracy and steadfast sales support of Lifeboat order processing.

Bluebeam, Inc. is a leading developer of innovative technology solutions for the architectural, engineering and construction (AEC) industries. Their flagship product, Bluebeam Revu, is the end-to-end digital workflow and collaboration solution trusted by over one million AEC professionals worldwide.

"This partnership represents a huge win for our customers and our reseller networks," said Aaron Courdy, Vice President, Channel Services at Bluebeam. "By working together, Bluebeam and Lifeboat can increase the levels of service and support for our customers and our resellers, and be able to deliver the scalable solutions our industry requires to drive growth."

"Since 2004, we've been working with Bluebeam to further define and execute their Channel strategy, with phenomenal growth going up against some very established competition," said Brian Gilbertson, Vice President and General Manager of Lifeboat Distribution. "The similarities in our corporate culture – nimble, innovative, and known throughout the reseller community as easy to work with – make our partnership a great fit for continued success."
