Construction Partners, Inc. to Host Analyst Day

DOTHAN, Ala., Sept. 5, 2023 /PRNewswire/ -- Construction Partners, Inc. (NASDAQ: ROAD) ("CPI" or the "Company"), a vertically integrated civil infrastructure company specializing in the construction and maintenance of roadways across six southeastern states, today announced that it will host an in-person Analyst Day on Wednesday, October 4, 2023, at 9:00 a.m. Eastern Time at the NASDAQ MarketSite in New York City. The Company's President and Chief Executive Officer, Fred J. (Jule) Smith, III, and other key members of the senior leadership team will discuss the Company's strategic initiatives, growth priorities, organizational achievements and business outlook. The live event, which includes presentations and a question-and-answer session, is expected to conclude at approximately 12:00 p.m. Eastern Time.

Analysts and institutional investors who would like to attend this event in person should contact the Company's Investor Relations representatives at road@dennardlascar.com. The event will also be made available by live audio webcast with accompanying slides. Interested parties who would like to participate virtually are invited to join the Construction Partners Analyst Day 2023 webcast by registering in advance under the "Events & Presentations" section of the Company's Investors website at <https://ir.constructionpartners.net/>. A replay of the webcast and the accompanying presentation will be made available on the Investors website following the conclusion of the live event.

About Construction Partners, Inc.

Construction Partners, Inc. is a vertically integrated civil infrastructure company operating across six southeastern states. Supported by its hot-mix asphalt plants, aggregate facilities and liquid asphalt terminals, the company focuses on the construction, repair and maintenance of surface infrastructure. Publicly funded projects make up the majority of its business and include local and state roadways, interstate highways, airport runways and bridges. The company also performs private sector projects that include paving and sitework for office and industrial parks, shopping centers, local businesses and residential developments.
