# RMS Medical Products to Commence Trading on NASDAQ

CHESTER, N.Y.--(BUSINESS WIRE)-- **Repro Med Systems, Inc. dba RMS Medical Products (OTCQX: REPR) ("RMS Medical" or "the Company")** today announced that its common stock has been approved for listing and is expected to begin trading on the NASDAQ Capital Market on October 17, 2019 under the current symbol "REPR". The Company's common stock will continue to trade on the OTCQX until market close on October 16, 2019.

"This NASDAQ listing is a significant milestone and a reflection of our growth and evolution as a publicly traded company," said Don Pettigrew, President and CEO. "We believe that this listing will help to elevate the Company's profile, expand our shareholder base, enhance trading efficiency, and support the pursuit of our long-term goals and objectives."

"Our Freedom infusion system is widely accepted as the preferred means of subcutaneous delivery of immunoglobulin therapies, and we are committed to broadening our product portfolio with solutions that optimize therapeutic efficacy, promote compliance, and improve the overall patient experience. We reported record net sales for the first two quarters of 2019 and believe that our strengthened management team and board of directors, proactive operating strategy, and multiple industry tailwinds leave us well-positioned to continue to grow and maximize shareholder value."
