LEAWOOD, Kan.--(BUSINESS WIRE)-- AMC Entertainment Holdings, Inc. (NYSE: AMC) ("AMC" or "the Company") announced today it has received approximately \$203 million in proceeds related to two recently completed transactions to monetize non-strategic assets.

Effective July 5, 2018, AMC completed the transaction to sell the entirety of its remaining equity interest in National CineMedia, LLC. ("NCM"), having sold all its 21,477,480 NCM common units under previously announced terms and received \$156.8 million in cash.

As has been the case heretofore, AMC intends to use the sale proceeds to pursue the four primary goals of its capital allocation strategies: (a) deleveraging, (b) returning cash to shareholders through share buybacks and dividends, (c) increasing its footprint by adding new theatres in the U.S., Europe and the Middle East and (d) achieving high investment returns through renovation of theatres with recliner seats, enhanced food and beverage options and an increased commitment to premium large format screens.
