About Clearfield

Clearfield, Inc. (NASDAQ:CLFD) designs, manufactures and distributes fiber optic management products for the communications networks of leading incumbent local exchange carriers (ILECs), competitive local exchange carriers (CLECs), multiple-system operator (MSO)/cable TV companies and mobile broadband providers. The company helps service providers solve the Fiber Puzzle, which is how to reduce the high costs associated with deploying, managing, protecting and scaling a fiber optic network to deliver the mobile, residential and business services customers want. Based on the patented Clearview™ Cassette, the Clearfield's unique single-architected, modular fiber management platform is designed to lower the cost of broadband deployment and maintenance by consolidating, protecting and distributing incoming and outgoing fiber circuits and enabling its customers to scale their operations as their subscriber revenues increase. Headquartered in Minneapolis, MN, Clearfield deploys more than a million fiber ports each year. For more information, visit www.clearfieldconnection.com.
