About BioCorRx, Inc.

BioCorRx, Inc. (OTCQB: BICX) is an addiction treatment and rehabilitation company on the leading edge of substance abuse addiction treatment. The company has developed a highly effective program called the Start Fresh Program™ consisting of two components used by various addiction clinics in the US. Clinic reports show that the treatment program has an extremely high success rate with individuals that complete the program. The first component of the program consists of an outpatient implant procedure performed by a licensed physician that delivers therapeutic levels of the drug Naltrexone, an opioid antagonist that significantly reduces physical cravings for alcohol and opioids, into the body. The second component of the program developed by BioCorRx, Inc. is a one on one coaching program specifically tailored for the treatment of alcoholism and other substance abuse addictions.
