## **Caelum Biosciences Submits Draft Registration Statement on Form S-1 to the Securities and Exchange Commission**

NEW YORK, April 20, 2018 (GLOBE NEWSWIRE) -- Caelum Biosciences, Inc. ("Caelum"), a Fortress Biotech, Inc. Company developing treatments for rare and life-threatening diseases, today announced it has confidentially submitted a draft registration statement on Form S-1 to the Securities and Exchange Commission (the "SEC") related to its proposed initial public offering. The number of shares of stock and the price range for the proposed offering have not yet been determined. The proposed offering is subject to, among other things, completion of SEC review process and market conditions.

This press release is being made pursuant to and in accordance with Rule 135 under the Securities Act of 1933, as amended, and does not constitute an offer to sell or the solicitation of an offer to buy securities, and shall not constitute an offer, solicitation or sale in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of that jurisdiction.
