

NATIONAL STORAGE AFFILIATES TRUST

AUDIT COMMITTEE CHARTER

I. Purpose

The principal purpose of the Audit Committee (the "Committee") is to assist the Board of Trustees (the "Board") of National Storage Affiliates Trust (the "Company") in fulfilling its responsibilities to its shareholders, potential shareholders and the investment community relating to the corporate accounting and reporting practices of the Company and its subsidiaries, the quality and integrity of the Company's consolidated financial statements, the Company's compliance with applicable legal and regulatory requirements, the performance, qualifications and independence of the Company's external auditors and the performance of the Company's internal audit function. The members of the Committee are not employees of the Company and are not responsible for conducting the audit or performing other accounting procedures.

In discharging its oversight role, the Committee is granted the authority to adopt policies and procedures to ensure that the accounting and reporting practices of the Company are of the highest quality and integrity, including the authority to investigate any matter brought to its attention, with full access to all books, records, facilities and personnel of the Company, and the authority to engage independent counsel and other advisers as it determines necessary to carry out its duties.

It shall also be the responsibility of the Committee to maintain free and open means of communication among the Board and the Company's external auditors, internal auditors and personnel. Through these lines of communication, the Committee shall monitor any issues or areas that fall within the scope of its duties, purpose or responsibilities that require special attention. The Company's external auditors are ultimately accountable to the Committee and the Board.

To fulfill this obligation, the Committee relies on: management for the preparation and accuracy of the Company's financial statements; both management and the Company's internal audit department for establishing effective internal controls and procedures to ensure the Company's compliance with accounting standards, financial reporting procedures and applicable laws and regulations; and the Company's independent auditors for an unbiased, diligent audit or review, as applicable, of the Company's financial statements and the effectiveness of the Company's internal controls.

II. Composition of the Audit Committee

1. The Committee will have at least three trustees, each of whom shall be appointed, removed and replaced by, and in the sole discretion of, the Board. The members of the Committee shall be appointed annually by the Board on or prior to the date of the Company's annual meeting of shareholders and shall serve until their successors are duly appointed by the Board or until their earlier resignation or removal. In connection with the annual appointment of the members of the Committee, the Board shall also select a member of the Committee to serve as its Chairperson.

The term "Applicable Corporate Governance Listing Standards" means the Listed Company Manual of the New York Stock Exchange (the "NYSE") and such listing standards of any other applicable securities exchanges on which the Company's shares may be listed from time to time (together with such other requirements imposed by applicable law or regulation with respect to issuers of stock so listed), in each case as amended and in effect from time to time.

3. Each member of the Committee must be financially literate (i.e., able to read and understand financial statements, in general, and the Company's financial statements, in particular, and aware of the functions of auditors for a company) as determined by the Board in its business judgment in connection with such member's appointment to the Committee. At least one member of the Committee must be "an audit committee financial expert" as defined in Item 407(d)(5)(ii) of Regulation S-K. This person must have the following attributes:

- a) an understanding of accounting principles generally accepted in the United States ("GAAP") and financial statements;
- b) the ability to assess the general application of such principles in connection with the accounting for estimates, accruals and reserves;
- c) experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can be reasonably expected to be raised by the Company's financial statements, or experience actively supervising one or more persons engaged in such activities;
- d) an understanding of internal accounting controls; and
- e) an understanding of audit committee functions.

4. A trustee appointed to the Committee may not serve on more than two additional audit committees for publicly listed companies, unless the Board has made an affirmative determination that such trustee is able to effectively undertake the responsibilities of serving on the Committee in addition to his or her positions on other such audit committees. The Company shall make any disclosures regarding this determination as may be required under the Applicable Corporate Governance Listing Standards.

III. Meetings

1. The Committee shall meet in person or telephonically at least four times annually or more frequently as the circumstances dictate. Minutes will be kept for each meeting of the Committee and will be provided to each member of the Committee. The Committee will submit such minutes to the Board to be filed with the minutes of the Board.

2. The Committee will report to the Board at all regular meetings of the Board or at such other times as the Committee deems necessary or appropriate.
3. The Committee may request members of management or others to attend meetings and provide pertinent information as necessary.
