Four Ingram Micro Executives Recognized by Everything Channel's CRN Magazine as Top Women of the Channel

Renee Bergeron, Holly Garcia, Jodi Honore and Anne Wilcox Named to Annual List in Honor of Their Exemplary Leadership, Dedication to IT Channel Growth and Success

SANTA ANA, CA -- (MARKET WIRE) -- 07/27/11 -- [Ingram Micro Inc.](#) (NYSE: IM) today announced that Everything Channel's [CRN Magazine](#) has named four members of its executive leadership team to this year's "Top Women of the Channel" listing. The Ingram Micro executives honored include:

- Renée Bergeron, vice president, managed services and cloud computing, North America
- Jodi Honore, vice president, software, vendor management, U.S.
- Anne Wilcox, vice president, customer and solutions marketing, U.S.
- Holly Garcia, senior director, vendor management, U.S.

The CRN annual Top Women of the Channel list recognizes the industry's top female executives for their accomplishments over the past year including their professional achievements as executives and the amount of influence they wield over the technology channel.

Ingram Micro's Renée [Bergeron](#) and Jodi [Honore](#) were also named to CRN's prestigious "Power 100" list, which "recognizes the top 100 female channel executives in the IT channel who stand out as driving forces in their respective companies and in the industry as a whole, providing the insight and influence that lead to channel success," says Kelley Damore, vice president, editorial director, Everything Channel.

This is the third consecutive year Honore has been named to the list for her leadership and career accomplishments, and the first for Bergeron, who joined Ingram Micro last year to spearhead the company's growing IT services portfolio which includes the Ingram Micro Cloud Marketplace (www.ingrammicrocloud.com).

Wilcox, who has also been credited as one of CRN's Power 100, and Garcia were both honored in last year's Top Women of the Channel issue for their individual and team contributions to Ingram Micro's growth and success of its channel partners.

"The exemplary leadership of all four of these Ingram Micro executives has helped fuel our success and strengthen the value and services we deliver to our channel partners," says Keith Bradley, senior executive vice president and president, Ingram Micro North America. "We're very proud to see the dedication and IT industry contributions of these four

executives honored by Everything Channel. Congratulations to all of this year's Top Women of the Channel."

The 2011 Women of the Channel honorees were chosen by the editors of CRN Magazine from a field of vendor channel organizations, distributors and solution providers. The complete "Power 100 Women of the Channel" listing is featured on CRN.com. The overall "Women of the Channel" list is noted in the July 2011 issue of CRN Magazine.
