## About AgriFORCE

[AgriFORCE Growing Systems Ltd.](#) (NASDAQ: AGRI) is an agriculture-focused technology company that develops and acquires intellectual property systems that are intended to deliver innovative, reliable and financially robust solutions for high-value crops through its proprietary facility design and automation intellectual property to businesses and enterprises. The Company intends to operate in the plant-based pharmaceutical, nutraceutical, and other high-value crop markets using its unique proprietary facility design and hydroponics-based automated growing system that enable cultivators to effectively grow crops in a controlled environment. The Company calls its facility design and automated growing system the “AgriFORCE grow house.” The Company has designed its AgriFORCE grow house to produce in virtually any environmental condition and to optimize crop yields to as near their full genetic potential possible, while substantially eliminating the need for the use of

pesticides and/or irradiation.
