Capstone Turbine Corporation Announces Offering of Common Stock and Warrants

CHATSWORTH, Calif., April 18, 2016 (GLOBE NEWSWIRE) -- Capstone Turbine Corporation (www.capstoneturbine.com) (Nasdaq:CPST), the world's leading clean technology manufacturer of microturbine energy systems, announced today that it intends to offer shares of its common stock ("Common Stock") and Series A warrants to purchase Common Stock (the "Series A Warrants") in an underwritten public offering (the "Offering"). The Company also intends to include in the Offering pre-funded Series B warrants to purchase Common Stock (the "Series B Warrants," together with the Series A Warrants, the "Warrants"), which would be offered to those purchasers whose purchase of Common Stock in the Offering otherwise would result in the purchaser beneficially owning more than 4.99% of the Company's outstanding common stock following the completion of the Offering. The Offering is subject to market and other conditions, and there can be no assurance as to whether or when the Offering may be completed, or as to the actual size or terms of the Offering. The Company intends to use the proceeds from the Offering to fund general working capital requirements and for other general corporate purposes.

Oppenheimer & Co. Inc. is acting as the sole book-running manager for the Offering, and Rodman & Renshaw, a unit of H.C. Wainwright & Co., LLC, is acting as the co-manager in the Offering.

The Common Stock and the Warrants are being offered pursuant to the Company's effective shelf registration statement on Form S-3 (Registration No. 333-203431). The Offering will be made only by means of a prospectus supplement and accompanying base prospectus. When available, copies of the preliminary prospectus supplement, the final prospectus supplement and accompanying base prospectus related to the Offering (the "Offering Documents") may be obtained from the Securities and Exchange Commission's website at <http://www.sec.gov>. When available, electronic copies of the Offering Documents may also be obtained from Oppenheimer & Co. Inc., 85 Broad Street, 26th Floor, New York, NY 10004, Attn: Syndicate Prospectus Department, by calling (212) 667-8563, or by email to EquityProspectus@opco.com. Before you invest, you should read the Offering Documents and other related documents incorporated by reference therein.

This press release does not constitute an offer to sell or the solicitation of offers to buy any securities of the Company, and shall not constitute an offer, solicitation or sale of any security in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

About Capstone Turbine Corporation

Capstone Turbine Corporation (www.capstoneturbine.com) (Nasdaq:CPST) is the world's leading producer of low-emission microturbine systems and was the first to market

commercially viable microturbine energy products. Capstone has shipped approximately 8,700 Capstone Microturbine systems to customers worldwide. These award-winning systems have logged millions of documented runtime operating hours. Capstone is a member of the U.S. Environmental Protection Agency's Combined Heat and Power Partnership, which is committed to improving the efficiency of the nation's energy infrastructure and reducing emissions of pollutants and greenhouse gases. A UL-Certified ISO 9001:2008 and ISO 14001:2004 certified company, Capstone is headquartered in the Los Angeles area with sales and/or service centers in the New York Metro Area, United Kingdom, Mexico City, Shanghai and Singapore.

This press release contains “forward-looking statements,” as that term is used in the federal securities laws, about the Offering, including our intended use of the proceeds therefrom. Forward-looking statements may be identified by words such as “expects,” “objective,” “intend,” “targeted,” “plan” and similar phrases. These forward-looking statements are subject to market and other conditions and numerous other assumptions, risks and uncertainties, including those described in Capstone's filings with the Securities and Exchange Commission, that may cause the Offering not to be completed or that may otherwise cause Capstone's actual results to be materially different from any future results expressed or implied in such statements. Capstone cautions readers not to place undue reliance on these forward-looking statements, which speak only as of the date of this release. Capstone undertakes no obligation, and specifically disclaims any obligation, to release any revisions to any forward-looking statements to reflect events or circumstances after the date of this release or to reflect the occurrence of unanticipated events.
