

## Company Overview

Northern Oil and Gas, Inc. (NYSE MKT: NOG) is the leading non-operated working interest franchise in the premier shale basins across the United States. The foundation of the Company's success is the long-term relationships it has built in basin in which it operates with premier operators, landowners and minerals rights owners. Northern has targeted specific areas in active basins that offer the highest rates of return on oil drilling projects. The Company's size and intimate knowledge of the active US oil and gas regions gives it an advantage in making quick decisions, which attracts vigorous deal flow. As a result, Northern is the established "go to" buyer of non-operated acreage.
