Regent Seven Seas Cruises'® Newly Transformed Seven Seas Voyager® Sets Sail for the First Time

Refreshed Suites and Elegant New Public Spaces Including an Immersive Epicurean Enrichment Studio Feature After Comprehensive Refurbishment

MIAMI, May 26, 2026: Regent Seven Seas Cruises'® newly refurbished [Seven Seas Voyager®](#) has set sail for the first time following an extensive multi-million-dollar renovation completed in Marseille, France.

The beloved ship returned to service on May 21, 2026, after 25 days in dry-dock with elegantly reimagined suites, refreshed public spaces, enhanced dining experiences, and the introduction of the Epicurean Enrichment Studio, further reinforcing Regent's continued pursuit of perfection and commitment to continually elevating [The World's Most Luxurious Fleet®](#).

"The transformation of *Seven Seas Voyager* marks another exciting milestone for Regent, as we further elevate the standard of all-inclusive, ultra-luxury cruising across the fleet," said Wesley D'Silva, president of Regent Seven Seas Cruises. "From enhanced dining venues and immersive new culinary experiences to beautifully redesigned suites, every element of the refurbishment has been carefully considered to enrich the guest experience while preserving the warmth and elegance our guests know and love about *Seven Seas Voyager*."

The refurbishment features the same impeccable attention to detail seen in Regent's renowned Explorer-Class ships, providing luxury travelers with a consistently elegant look and feel across the entire fleet and includes a refresh of all suites with updated furnishings, lighting, hardware, carpets and décor. The ship's Signature, Grand, Voyager and Seven Seas suites have received a full redesign, including a new bathtub and separate shower.

Guests also enjoy revitalized public spaces such as the Pool Grill, which has been fully renovated to include a new pizzeria concept serving handcrafted pizzas made with premium ingredients as a casual, yet sophisticated, evening dining option. Additional enhancements include refreshments and refurbishments for the Atrium, Prime 7, Chartreuse, and the library, as well as the relocation of Coffee Connection to a new mid-ship location on Deck 5, plus lush new carpeting throughout the ship.

Among the most significant enhancements is the debut of the Epicurean Enrichment Studio, a new venue first established aboard *Seven Seas Mariner* at the end of 2025 as part of its own [extensive refurbishment](#). The Epicurean Enrichment Studio is designed to connect guests more deeply to the destinations they visit through cuisine, culture and storytelling.

Launching on *Seven Seas Voyager* for sailings from June 28, 2026, the new experience will offer destination-inspired culinary programming and hands-on demonstrations.

The enhanced *Seven Seas Voyager* is currently sailing a 12-night [Eastern Mediterranean Gems](#) voyage from Barcelona, Spain to Athens (Piraeus), Greece, calling on destinations in Croatia, Montenegro, and the Greek Isles. The ship will then sail a collection of voyages throughout the Mediterranean before sailing a selection of summer itineraries in the northern Europe including the British Isles, Iceland and Scandinavia.
