PROXY RELATED INFORMATION

Solicitation of Proxies

This Circular is provided in connection with the solicitation of proxies by management of Mount Logan for use at the Meeting. The Meeting will be held on June 18, 2025 at 1:00 p.m. (Eastern time) in a virtual only format which will be conducted via live audio webcast at **<https://web.lumiconnect.com/276208583>** (meeting identification number **276-208-583**), or at such other time or place to which the Meeting may be postponed or adjourned, for the purposes set forth in the Notice.

It is expected that the solicitation will be primarily by mail, but proxies may also be solicited personally, by advertisement or by telephone by regular employees of Mount Logan without special compensation, at nominal cost. The costs of solicitation will be borne by Mount Logan. Mount Logan will pay the reasonable expenses of persons who are the registered but not beneficial owners of Shares for forwarding copies of the Notice, Instrument of Proxy (as hereinafter defined), Circular and related material to beneficial owners. Mount Logan will provide, without cost to such persons, upon request to the Corporate Secretary of Mount Logan, additional copies of the foregoing documents required for this purpose.

Accompanying this Circular is a form of proxy for use at the Meeting (the “**Instrument of Proxy**”). Each Shareholder who is entitled to attend at the Meeting is encouraged to participate in the Meeting and Shareholders are urged to vote on matters to be considered via live audio webcast or by proxy.

Appointment of a Proxy and Proxy Registration

The persons named as proxyholders in the Instrument of Proxy accompanying this Circular are directors or officers of Mount Logan and are representatives of Mount Logan’s management for the Meeting. A Shareholder who wishes to appoint some other person (who need not be a Shareholder) as his, her or its representative at the Meeting may do so by either: (i) crossing out the names of the management nominees AND legibly printing the other person’s name in the blank space provided in the accompanying Instrument of Proxy; or (ii) completing another valid form of proxy. In either case, the completed form of proxy must be delivered to the Corporate Secretary of Mount Logan, at the place and within the time specified herein for the deposit of proxies.

A Shareholder who appoints a proxy who is someone other than the management representatives named in the Instrument of Proxy should notify the nominee of the appointment, obtain the nominee’s consent to act as proxy, and provide instructions on how Shares are to be voted. The form of proxy should be dated and executed by the Shareholder or an attorney authorized in writing, with proof of such authorization attached (where an attorney executed the proxy form).

Shareholders who wish to appoint a third-party proxyholder to represent them at the Meeting must submit their proxy or voting instruction form (if applicable) prior to registering your proxyholder. Registering your proxyholder is an additional step once you have submitted your proxy or voting instruction form. Failure to register the proxyholder will result in the proxyholder not receiving a Username to participate in the Meeting. To register a proxyholder, Shareholders MUST send an email to appointee@odysseytrust.com by no later than 1:00 p.m. (Eastern Time) on June 16, 2025 or if the Meeting is adjourned or postponed, not less than 48 hours, excluding Saturdays, Sundays and statutory holidays, before the commencement of such adjourned or postponed Meeting and provide Odyssey with their proxyholder’s contact information, amount of Shares appointed and name of the broker where the Shares are held, so that Odyssey may provide the proxyholder with a Username via email.

If you are a United States beneficial holder, to attend, participate or vote at the virtual Meeting, you must first obtain a valid legal proxy from your broker, bank or other agent and then register in advance to attend the Meeting. United States beneficial holders should follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a legal proxy form. After first obtaining a valid legal proxy from your broker, bank or other agent, to then register to attend the Meeting, you must submit a copy of your legal proxy to Odyssey. Requests for registration should be directed to:

Odyssey Trust Company
67 Yonge Street
Suite 702
Toronto, Ontario
M5E 1J8
OR
Email at appointee@odysseytrust.com

A proxy can be submitted to Odyssey either in person, or by mail or courier, to 67 Yonge Street, Suite 702, Toronto, Ontario, M5E 1J8, or via the internet at <https://vote.odysseytrust.com>. **The proxy must be deposited with Odyssey by no later than 1:00 p.m. (Eastern Time) on June 16, 2025, or if the Meeting is adjourned or postponed, not less than 48 hours, excluding Saturdays, Sundays and statutory holidays,**

before the commencement of such adjourned or postponed Meeting. After such time, the chair of the Meeting may accept or reject a form of proxy delivered to him or her in his or her discretion but is under no obligation to accept or reject any particular late Instrument of Proxy.

Registered Shareholders

A person or company whose name appears on the books and records of the Corporation as a holder of Shares is a registered Shareholder (each, a “**Registered Shareholder**” and collectively, the “**Registered Shareholders**”).

A Registered Shareholder may vote Shares owned by it at the Meeting in one of two ways – either by themselves by participating in the Meeting as set out above or by proxy.

Non-Registered Holders

The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold Shares in their own name and thus are considered non-registered beneficial Shareholders. Only registered holders of Shares or the persons they appoint as their proxyholder are permitted to vote at the Meeting. However, in many cases, Shares beneficially owned by a person (each, a “**Non-Registered Holder**” and collectively, the “**Non-Registered Holders**”) are registered either: (i) in the name of an intermediary (an “**Intermediary**”) (including, among others, banks, trust companies, securities dealers, brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs, TFSA's and similar plans) that the Non-Registered Holder deals with in respect of the Shares; or (ii) in the name of a clearing agency (such as the Canadian Depository for Securities Limited) of which the Intermediary is a participant. Non-Registered Holders should note that only proxies deposited by Shareholders whose names appear on the records of Mount Logan as the registered holders of Shares can be recognized and acted upon at the Meeting. In accordance with the requirements of the Canadian Securities Administrators, Mount Logan will have distributed copies of the Notice, this Circular and the enclosed Instrument of Proxy to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders. If you are a Non-Registered Holder, your Intermediary will be the entity legally entitled to vote your Shares at the Meeting. Shares held by an Intermediary can only be voted upon the instructions of the Non-Registered Holder. Without specific instructions, Intermediaries are prohibited from voting Shares.

Applicable regulatory policy requires Intermediaries to seek voting instructions from Non-Registered Holders in advance of the Meeting. Often, the form of proxy supplied to a Non-Registered Holder by its Intermediary is identical to the form of proxy provided to registered Shareholders; however, its purpose is limited to instructing the registered Shareholder how to vote on behalf of the Non-Registered Holder. The majority of Intermediaries now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”). Broadridge typically mails a scannable voting instruction form in lieu of the form of proxy. The Non-Registered Holder is requested to complete and return the voting instruction form to Broadridge by mail or facsimile. Alternatively, the Non-Registered Holder may call a toll-free telephone number or access the internet to provide instructions regarding the voting of Shares held by the Non-Registered Holder. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. A Non-Registered Holder receiving a voting instruction form cannot use that voting instruction form to vote Shares directly at the Meeting, as the voting instruction form must be returned as directed by Broadridge well in advance of the Meeting in order to have such Shares voted.

Non-Registered Holders should ensure that instructions respecting the voting of their Shares are communicated in a timely manner and in accordance with the instructions provided by their Intermediary or Broadridge, as applicable. Every Intermediary has its own mailing procedures and provides its own return

instructions to clients, which should be carefully followed by Non-Registered Holders in order to ensure that their Shares are voted at the Meeting.

Although a Non-Registered Holder may not be recognized directly at the Meeting for the purpose of voting Shares registered in the name of their Intermediary, a Non-Registered Holder may attend the Meeting as proxyholder for the Intermediary and vote the Shares in that capacity. **Non-Registered Holders who wish to attend the Meeting and indirectly vote their Shares as a proxyholder should enter their own names in the blank space on the form of proxy or voting instruction form provided to them by their Intermediary and/or Broadridge, as applicable, and return the same in accordance with the instructions provided by their Intermediary and/or Broadridge, as applicable, well in advance of the Meeting.** In order to vote, Non-Registered Holders who appoint themselves as a proxyholder **MUST** register with Odyssey by sending an email to appointee@odysseytrust.com **after** submitting their voting instruction form in order to receive a Username (please see the information under the heading “Appointment of a Proxy and Proxy Registration” above for details).

The purpose of the above-noted procedures is to permit Non-Registered Holders to direct the voting of the Shares which they beneficially own. Non-Registered Holders should carefully follow the instructions and procedures of their Intermediary or Broadridge, as applicable, including those regarding when and where the form of proxy or voting instruction form is to be delivered.

Pursuant to National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), Mount Logan is distributing copies of proxy-related materials in connection with the Meeting indirectly to non-objecting beneficial owners of Shares. Mount Logan is not relying on the notice-and-access delivery procedures set out in NI 54-101 to distribute copies of proxy-related materials in connection with the Meeting. Mount Logan does not intend to pay for Intermediaries to deliver copies of the proxy-related materials to objecting beneficial owners. Objecting beneficial owners will not receive the proxy-related materials in respect of the Meeting unless the Intermediary holding Shares on behalf of the objecting beneficial owner assumes the cost of delivery.

Revoking a Proxy

A Shareholder who has validly given a proxy may revoke it for any matter upon which a vote has not already been cast by the proxyholder appointed in the proxy. If a Shareholder who has submitted a proxy attends the Meeting via the webcast and has accepted the terms and conditions when entering the Meeting online, any votes cast by such Shareholder on a ballot will be counted and the submitted proxy will be disregarded. In addition to revocation in any other manner permitted by law, a proxy may be revoked with an instrument in writing signed and delivered to either the registered office of Mount Logan at Suite 800, 365 Bay Street, Toronto, Ontario, M5H 2V1, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof at which the proxy is to be used, or deposited with the chair of the Meeting on the day of the Meeting, or any adjournment thereof. The document used to revoke a proxy must be in writing and completed and signed by the Shareholder or his or her attorney authorized in writing or, if the Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized. As well, a Shareholder who has given a proxy may attend the Meeting virtually (or where the Shareholder is a corporation, its authorized representative may attend), revoke the proxy (by indicating such intention to the chair of the Meeting before the proxy is exercised) and vote at the Meeting (or withhold from voting). If a Shareholder has voted on the internet or by telephone and wishes to change such vote, such Shareholder may vote again through such means before 1:00 p.m. (Eastern Time) on June 16, 2025 or at least 48 hours, excluding Saturdays, Sundays and statutory holidays, before any adjournment or postponement of the Meeting.

Signature on Proxies

The Instrument of Proxy must be executed by the Shareholder or his or her duly appointed attorney authorized in writing or, if the Shareholder is a corporation, by a duly authorized officer whose title must be indicated. An Instrument of Proxy signed by a person acting as attorney or in some other representative capacity should indicate that person's capacity (following his or her signature) and should be accompanied by the appropriate instrument evidencing qualification and authority to act (unless such instrument has been previously filed with Mount Logan).

Voting of Proxies

Each Shareholder may instruct his, her or its proxyholder on how to vote his, her or its Shares by completing the blanks on the Instrument of Proxy. **Shares represented by the enclosed Instrument of Proxy will be voted or withheld from voting on any motion, by ballot or otherwise, in accordance with any indicated instructions. In the absence of such direction, such Shares will be voted IN FAVOUR OF PASSING THE RESOLUTIONS DESCRIBED IN THE INSTRUMENT OF PROXY AND BELOW.** If any amendment or variation to the matters identified in the Notice is proposed at the Meeting or any adjournment or postponement thereof, or if any other matters properly come before the Meeting or any adjournment or postponement thereof, the accompanying Instrument of Proxy confers discretionary authority to vote on such amendments or variations or such other matters according to the best judgment of the appointed proxyholder. As at the date of this Circular, the management of Mount Logan knows of no such amendments or variations or other matters to come before the Meeting.

Unless otherwise stated, Shares represented by a valid Instrument of Proxy will be voted: (i) in favour of the election of nominees set forth in this Circular except where a vacancy among such nominees occurs prior to the Meeting, in which case, such Shares may be voted in favour of another nominee in the proxyholder's discretion; and (ii) in favour of the appointment of Deloitte & Touche LLP as auditor of Mount Logan and the authorization of the board of directors of Mount Logan (the "Board") to fix their remuneration.

All references to Shareholders in this Circular and the accompanying Instrument of Proxy and Notice are to Registered Shareholders unless specifically stated otherwise.

A Registered Shareholder, or a Non-Registered Holder who has appointed themselves or a third-party proxyholder to represent them at the Meeting, will appear on a list of shareholders prepared by Odyssey, the transfer agent and registrar for the Meeting. To have their Shares voted at the Meeting, each Registered Shareholder or proxyholder will be required to enter their control number or Username provided by Odyssey at <https://web.lumiconnect.com/276208583> and enter the Meeting ID number **276-208-583** prior to the start of the Meeting. In order to vote, Non-Registered Holders who appoint themselves as a proxyholder **MUST** register with Odyssey by sending an email to appointee@odysseytrust.com **after** submitting their voting instruction form in order to receive a Username (please see the information under the heading "Appointment of a Proxy and Proxy Registration" above for details).

Voting Shares and Record Date

Shareholders of record as of May 12, 2025 (the "**Record Date**") are entitled to receive the Notice and to attend and vote at the Meeting. The failure of any Shareholder to receive a copy of the Notice does not deprive the Shareholder of the right to vote at the Meeting. Only holders of Shares as of the Record Date are entitled to vote such Shares at the Meeting.

As at the Record Date, Mount Logan had 28,666,080 issued and outstanding Shares, each of which carries the right to two (2) votes in respect of each of the matters properly coming before the Meeting. The Shares are the voting shares of Mount Logan which are issued and outstanding as of the Record Date.

Principal Holders of Voting Securities

To the knowledge of the directors and executive officers of Mount Logan, as at the date of this Circular, no person or corporation beneficially owns, or exercises control or direction over, directly or indirectly, more than 10% of the issued and outstanding Shares.

MATTERS TO BE ACTED UPON AT THE MEETING

To the knowledge of the Board, the only matters to be brought before the Meeting are set forth in the accompanying Notice. These matters are described in turn under the headings below.

Receipt of Financial Statements

The audited consolidated financial statements of Mount Logan for the financial year ended December 31, 2024 and the report of the auditor thereon will be presented at the Meeting.

Election of Directors of Mount Logan

The articles of Mount Logan provide for a minimum of three (3) and a maximum of 11 directors. The Board has determined that the number of directors to be elected at the Meeting is six (6). The six (6) nominees proposed for election as directors of Mount Logan (each, a “**Director**” and collectively, the “**Directors**”) are listed below.

In the absence of contrary instructions, the persons named in the accompanying Instrument of Proxy intend to vote for the election of the nominees whose names are set forth below, each of whom has been a Director since the date indicated below opposite his or her name. Management of Mount Logan does not contemplate that any of the proposed nominees will be unable to serve as a Director, but if, for any reason, at the time of the Meeting, any of the nominees are unable to serve, and unless otherwise specified, it is intended that the persons named in the enclosed form of proxy reserve the right to vote for another nominee in their discretion.

The following table sets forth information with respect to each person proposed to be nominated for election as a Director, including the number of Shares beneficially owned, or controlled or directed, directly or indirectly, by such person at the date of this Circular. The information as to Shares beneficially owned, or controlled or directed, directly or indirectly, not being within the knowledge of Mount Logan, has been furnished by the respective nominees individually or obtained from the System for Electronic Disclosure by Insiders and may include Shares owned or controlled by spouses and/or children of such Directors and/or companies controlled by the Directors or their spouses and/or children.

Majority Voting for Election of Directors

The Board has adopted a “majority voting” policy, pursuant to which if a nominee for election as director does not receive a greater number of votes “for” than votes “withheld” at a meeting of Shareholders, such nominee shall offer his or her resignation as a director to the Board promptly following the meeting of Shareholders at which the director was elected. Upon receiving such offer of resignation, the Corporate Governance and Nominating Committee will consider such offer and make a recommendation to the Board as to whether or not to accept it. In its deliberations, the Corporate Governance and Nominating Committee will

consider any stated reasons why Shareholders “withheld” votes from the election of that director, the length of service and the qualifications of the director, the director’s contributions to the Corporation, the effect such resignation may have on the Corporation’s ability to comply with any applicable governance rules and policies and the dynamics of the Board, and any other factors that the Corporate Governance and Nominating Committee considers relevant. Notwithstanding the foregoing, the Board expects to accept the resignation except in situations where extenuating circumstances would warrant the director to continue to serve on the Board.

The Board will determine whether or not to accept the resignation within 90 days following the meeting of Shareholders. Mount Logan will announce the decision of the Board in a press release with respect to whether the Board has decided to accept such director’s resignation. If the Board determines not to accept the resignation, the press release will state the reasons for that decision.

The director who tendered such resignation will not be part of any deliberations of any Board committee (including the Corporate Governance and Nominating Committee if such director is a member thereof) or of the Board pertaining to the resignation offer.

The “majority voting” policy only applies in circumstances involving an uncontested election of directors. For the purposes of the policy, an “uncontested election of directors” means that the number of nominees for election as a director is not more than the number of directors proposed to be elected to the Board.

Each proposed nominee as a Director elected will hold office until the next annual meeting of Shareholders or until his or her successor is duly elected or appointed, as the case may be, unless his or her office is earlier vacated in accordance with the by-laws or the provisions of the *Business Corporations Act* (Ontario) (the “**OBCA**”) to which Mount Logan is subject or any similar corporate legislation to which Mount Logan becomes subject.

Cease Trade Orders, Bankruptcies and Penalties and Sanctions

Cease Trade Orders

To the knowledge of Mount Logan, except as disclosed herein, no proposed Director is, as at the date of this Circular, or was within 10 years before the date of this Circular, a director or chief executive officer or chief financial officer of any company (including Mount Logan) that: (a) was the subject of an order (as defined below) that was issued while the director or executive officer was acting in the capacity as director, chief executive officer or chief financial officer; or (b) was subject to an order that was issued after the director or executive officer ceased to be a director, chief executive officer or chief financial officer, and which resulted from an event that occurred while that person was acting in the capacity as a director, chief executive officer or chief financial officer. For the purposes of this paragraph, “order” means a cease trade order, an order similar to a cease trade order or an order that denied the relevant corporation access to any exemption under securities legislation, in each case that was in effect for a period of more than 30 consecutive days.

Perry Dellelce was a director of Lendified Holdings Inc. (“**Lendified**”) from September 17, 2012 to December 31, 2023. A cease trade order was issued against Lendified by the Ontario Securities Commission on July 9, 2020 (the “**2020 Cease Trade Order**”) for failure to file audited annual financial statements of Lendified PrivCo Holding Corporation for the year ended December 31, 2019. Lendified was granted a partial revocation of the 2020 Cease Trade Order on August 14, 2020 to permit it to sell units, comprised of its common shares and warrants, by way of private placement. The 2020 Cease Trade Order was revoked by the Ontario Securities Commission on October 1, 2020 and trading of Lendified shares on the TSX Venture Exchange resumed on November 3, 2020. On May 5, 2023, a cease trade order was issued against Lendified by the Ontario Securities Commission (the “**2023 Cease Trade Order**”) for failure to file (i) audited annual financial statements of Lendified for the year ended December 31, 2022; (ii) management’s discussion and analysis relating to the audited annual financial statements of Lendified for the year ended December 31, 2022; and (iii) certification of the foregoing filings as required by National Instrument 52-109 – *Certification of Disclosure in Issuers’ Annual and Interim Filings*. As of the date of this Circular, Mr. Dellelce is no longer a director of Lendified and the 2023 Cease Trade Order remains in effect.

Bankruptcies

To the knowledge of Mount Logan, except as disclosed herein, no proposed Director: (a) is, or within 10 years before the date hereof, has been a director or executive officer of a corporation (including Mount Logan) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets; or (b) has within the 10 years before the date hereof, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed Director.

On September 24, 2015, Mr. Allen made a voluntary assignment for bankruptcy under Chapter 13 of the *Bankruptcy Code* (United States). An order discharging Mr. Allen was granted by the United States Bankruptcy Court, Southern District of Florida on October 2, 2020.

On January 18, 2023, Lendified announced that it had been advised by its secured creditors of the sale of assets of, among others, Lendified Privco Holding Corporation, a wholly-owned subsidiary of Lendified, that were seized by such creditors under the *Personal Property Security Act* (Ontario). Mr. Dellelce was a director of Lendified Privco Holding Corporation within the one (1) year period prior to the seizure of such assets, but was not a director at the time the proceeding was commenced.

Penalties and Sanctions

No proposed Director has been subject to any: (a) penalties or sanctions imposed by a court relating to Canadian securities legislation or by a Canadian securities regulatory authority or has entered into a settlement agreement with a Canadian securities regulatory authority; or (b) other penalties or sanctions imposed by a court or regulatory body that would be likely to be considered important to a reasonable security holder in deciding whether to vote for the proposed Director.

Appointment and Remuneration of Auditor

At the Meeting, Shareholders will be asked to re-appoint Deloitte & Touche LLP as auditor of Mount Logan, to hold office until the next annual meeting of Shareholders. Deloitte & Touche LLP was first appointed as auditor of the Corporation on March 25, 2021. Shareholders will also be asked to authorize the directors of the Corporation to fix the auditor's remuneration.

In the absence of contrary instructions, the persons named in the accompanying Instrument of Proxy intend to vote FOR the appointment of the auditor and authorizing the Board to fix the auditor's remuneration as set forth above.

STATEMENT OF CORPORATE GOVERNANCE PRACTICES

Overview

In general, the Board is responsible for the stewardship of the Corporation. The Board oversees the business and affairs of the Corporation, supervises senior management's day-to-day conduct of business, establishes or approves overall corporate policies where required and involves itself jointly with management in ensuring the creation of shareholder value and the preservation and protection of the Corporation's assets as well as in establishing the Corporation's strategic direction. The Board acts through regularly scheduled Board meetings, which are held on a quarterly basis, with additional meetings being scheduled when required. In addition, there is ongoing communication between senior management and Board members between meetings both on an informal basis and through committee meetings.

To assist in the discharge of its responsibilities, the Board has established an Audit Committee, a Corporate Governance and Nominating Committee and a Compensation Committee.

The Board believes that sound corporate governance practices are in the best interests of the Corporation and its Shareholders and contribute to prudent and effective decision-making. The Board is committed to remaining abreast of the ongoing evolution of corporate governance standards and practices both in Canada and more broadly. As such, the directors of the Corporation are committed to thorough and effective corporate governance arrangements. In addition, the Board supports the Corporation's efforts to align its corporate governance practices with the recommendations currently in effect and contained in National Policy 58-201 – *Corporate Governance Guidelines*, having regard to the Corporation's particular circumstances from time to time.

Pursuant to National Instrument 58-101 – *Disclosure of Corporate Governance Practices* ("NI 58-101"), the Corporation is required to disclose its corporate governance practices, which are described below.

Board of Directors

The Board has determined that, as of the date of this Circular, each of Mr. Reinfrank, Mr. Allen and Mr. Ratchford is "independent" under National Instrument 52-110 – *Audit Committees* ("NI 52-110") and

under NI 58-101. The Board has determined that Mr. Dellelce is not independent by reason of his role as managing partner of the law firm that acts as Canadian legal counsel to the Corporation. The Board has also determined that Mr. Goldthorpe is not independent, as he is the Corporation's Chief Executive Officer. The Board has also determined that Ms. Liak is not independent, as within the last three (3) years, Ms. Liak was an executive officer of Kits Eyecare Ltd. at the same time as Mr. Goldthorpe served on the compensation committee of Kits Eyecare Ltd. The Board believes that Messrs. Goldthorpe's, Dellelce's and Ms. Liak's status as non-independent directors does not preclude them from exercising independent judgement with a view to the best interests of the Corporation, and the Board is of the view that their status as non-independent directors does not impair the ability of the Board as a whole to act independently of management. In particular:

- Mr. Goldthorpe has extensive experience in acting as a corporate director for reporting issuers (or their equivalent), including being the former lead director of Kits Eyecare Ltd. and a former director of Crescent Point Energy Corp., and in such roles has served as a member of various standing committees including audit, compensation, corporate governance and nomination. Accordingly, Mr. Goldthorpe is well versed regarding the role and duties of directors. Having regard to the foregoing, the Board is of the view that Mr. Goldthorpe is able to exercise independent judgement with a view to the best interests of the Corporation.
- Mr. Dellelce has over 30 years of experience in acting as a director and committee member for reporting issuers (or their equivalent) and advising individuals, boards of directors and special committees of their roles and duties as directors in their day-to-day responsibilities as well as in the context of particular transactions. Given Mr. Dellelce's position as a non-management director, the fact that he does not serve on any committees of the Corporation, and his extensive experience as a director and advisor, the Board is of the view that Mr. Dellelce is able to exercise independent judgement with a view to the best interests of the Corporation.
- Ms. Liak is a non-management director of the Corporation and is an experienced corporate director as she was previously a director of Kits Eyecare Ltd. Ms. Liak is not considered an independent director of the Corporation solely because of the fact that, within the last three (3) years, she was an executive officer of Kits Eyecare Ltd. while Mr. Goldthorpe served on the compensation committee of Kits Eyecare Ltd. As Ms. Liak is a non-management director and no longer serves on the compensation committee of the Corporation (nor any other committees of the Corporation), the Board's view is that Ms. Liak's status as a non-independent director is technical in nature and that Ms. Liak is able to exercise independent judgement with a view to the best interests of the Corporation.

The importance of the independence of the directors from management is fully endorsed by the Corporation. The mandate of the Board (the "**Mandate of the Board**") provides that at least a majority of the directors must be "independent" for the purposes of all applicable regulatory requirements; however, as the date of this Circular, the Board is comprised of a majority of non-independent directors and assuming the election of each of the nominees set forth in this Circular at the Meeting, the Board will be comprised of 50% non-independent directors. Notwithstanding the foregoing, the Board believes that adequate structures and processes are in place to facilitate its exercise of independent judgement in carrying out its responsibilities, including but not limited to: (i) the Board has appointed Rudolph Reinfrank, an independent director, as the Lead Director as further discussed below; (ii) the Audit Committee is comprised entirely of "independent" directors, the Corporate Governance and Nominating Committee is currently comprised entirely of "independent" directors, and the Compensation Committee is currently comprised entirely of "independent" directors; (iii) independent directors have an opportunity to meet without the presence of management or non-independent directors, and do so both formally and informally; (iv) the Audit Committee meets with the Corporation's external auditors without management being present at each Audit Committee meeting; and (v)

the Corporation, individual directors or committees of the Board may each, where deemed necessary or advisable in appropriate circumstances, retain the services of independent advisors at the expense of the Corporation.

In addition to their roles as directors of the Corporation, the following individuals also hold positions as directors of the following reporting issuers: Mr. Dellelce is a director of McFarlane Lake Mining Limited; and Mr. Reinfrank is a director of MFIC.

The Board meets from time to time without the non-independent directors and management being present at *in camera* sessions of independent directors held before, during an adjournment of, or following the conclusion of each meeting of the Board.

The Board elects from its ranks a chairperson to preside at all meetings of the Board, which is currently Mr. Goldthorpe. The Chair of the Board shall provide leadership to the Board by, among other things (i) promoting a thorough understanding by the directors and management of the duties and responsibilities of the directors and distinctions between the role of the directors and the role of management; (ii) promoting cohesiveness among the directors; and (iii) ensuring processes are in place to monitor legislation and best practices relating to the responsibilities of the Board, and to review the effectiveness of the Board, its committees and individual directors on a regular basis.

Pursuant to the Mandate of the Board, because the current Chair of the Board is not independent, the Board has appointed Rudolph Reinfrank as the Lead Director in order to provide independent leadership to the Board and to facilitate the functioning of the Board independently of the senior officers and the Chair of the Board. The role and responsibilities of the Lead Director are further set out in the Mandate of the Board attached as Appendix “A” to this Circular. In addition, the current Chair of the Board does not serve on any of the Audit Committee, the Corporate Governance and Nominating Committee or the Compensation Committee.

The following table sets forth the number of Board and committee meetings held and attendance by directors for the financial year ended December 31, 2024:

Board Mandate

The Board, both directly and through its committees, supervises the activities and manages the affairs of the Corporation and is responsible for the stewardship of the Corporation and its business. The Board is

kept informed of the Corporation's operations at Board meetings, committee meetings and through reports and discussions with management of the Corporation, as necessary. The Board meets at least four (4) times a year with additional meetings of the Board when required. In addition, there is continued communication between senior management of the Corporation and the Board on an informal basis.

The duties and responsibilities of the Board are set out in the Mandate of the Board attached as Appendix "A" to this Circular.

Board Committees

Audit Committee

The Audit Committee is currently comprised of the following three (3) directors: Rudolph Reinfrank (Chair), David Allen and Buckley Ratchford. The Audit Committee oversees the accounting and financial reporting practices and procedures of the Corporation and the audits of the Corporation's financial statements. Additional information regarding the Audit Committee, including a copy of the charter of the Audit Committee, can be found in the Corporation's Annual Information Form for the financial year ended December 31, 2024, a copy of which is available for review under the Corporation's SEDAR+ profile at www.sedarplus.ca.

Corporate Governance and Nominating Committee

The Corporate Governance and Nominating Committee is currently comprised of the following three (3) directors: David Allen (Chair), Buckley Ratchford and Rudolph Reinfrank. The primary functions of the Corporate Governance and Nominating Committee are to: (i) assist the Corporation and the Board in fulfilling their respective corporate governance responsibilities under applicable securities laws, instruments, rules and policies and regulatory requirements; and (ii) to promote a culture of integrity throughout the Corporation.

Compensation Committee

The Compensation Committee is currently comprised of the following three (3) directors: Buckley Ratchford (Chair) David Allen and Rudolph Reinfrank. The primary functions of the Compensation Committee are to: (i) discharge the Board's responsibilities relating to the compensation of the Corporation's executive officers; (ii) administer the Corporation's incentive compensation and equity-based plans; and (iii) assist the Board with respect to management succession and development.

Position Descriptions and Chief Executive Officer Succession Planning

The Corporation has developed and implemented written position descriptions for the Chief Executive Officer, Chief Financial Officer, Chair of the Board, Chair of the Audit Committee, Chair of the Corporate Governance and Nominating Committee and Chair of the Compensation Committee. Position descriptions are reviewed periodically. In addition, the Compensation Committee oversees management succession planning and makes appropriate recommendations to the Board at least annually regarding the appointment and succession of the Corporation's executive officers.

Orientation and Continuing Education of New Directors

The Board is responsible for developing and implementing, on recommendation of the Corporate Governance and Nominating Committee, a comprehensive orientation program for new directors. The Corporate Governance and Nominating Committee develops the comprehensive orientation programs with a goal of assisting new directors in understanding: (i) the role of the Board and its committees, (ii) the nature of

the business and affairs of the Corporation, and (iii) the contribution which individual directors are expected to make to the Board in terms of both time and resource commitments. The Corporate Governance and Nominating Committee's continuing education program assists directors to maintain or enhance their skills and abilities as directors and in ensuring that their knowledge and understanding of the Corporation's business remains current.

Ethical Business Conduct

As the Corporation only has a limited number of employees, the directors of the Corporation have not adopted a written code of ethics. However, the Corporate Governance and Nominating Committee is responsible for promoting a culture of integrity throughout the Corporation. The directors of the Corporation have approved a Conflict of Interest Policy, which sets out the guidelines of the Corporation with respect to addressing conflicts of interests involving the directors and officers of the Corporation. The Conflict of Interest Policy sets out, among other things, that any potential conflict of interest should be reported immediately to the Chair of the Corporate Governance and Nominating Committee. The directors of the Corporation are responsible for monitoring compliance with the Conflict of Interest Policy, for regularly assessing its adequacy, for interpreting the policy in any particular situation and for approving any changes to the policy from time to time.

Nomination of Directors

The Corporate Governance and Nominating Committee has the responsibility of identifying individuals qualified to become new directors of the Corporation and recommending to the Board the directors to be nominated for election at annual meetings of Shareholders. The Board ensures that it has an objective nominating process by having a majority independent Corporate Governance and Nominating Committee, by providing such committee with the ability to engage external advisors to assist in a search process and by encouraging the independent directors to recommend nominees to the Board.

In evaluating the competencies and skills of potential new directors, the Corporate Governance and Nominating Committee considers: (i) the competencies and skills necessary for the Board as a whole to possess; (ii) the competencies and skills necessary for each individual director to possess; (iii) the competencies and skills which each new nominee to the Board is expected to bring; and (iv) whether each proposed nominee to the Board will be able to devote sufficient time and resources to the Corporation.

Majority Voting in Director Elections

The Board has adopted a "majority voting" policy that will apply at any meeting of Shareholders where an uncontested election of directors is held. A summary of the Corporation's "majority voting" policy is set out under the heading "Matters to be Acted upon at the Meeting – Election of Directors of Mount Logan – Majority Voting for Election of Directors".

Compensation

The Board is responsible for approving the compensation of the Chief Executive Officer and considering recommendations of the Chief Executive Officer with respect to the compensation of other members of senior management. The Compensation Committee considers matters related to executive compensation and makes recommendations to the Board with respect to such matters.

The Compensation Committee assists the Board in its oversight of executive and director compensation and undertakes the responsibility for, among other things: (a) reviewing and making recommendations to the Board with respect to compensation of the Chief Executive Officer; (b) making

recommendations to the Board with respect to non-CEO officer compensation, incentive compensation plans and equity-based plans; and (c) reviewing the Corporation's compensation disclosure in public documents and preparing the annual report on executive compensation for inclusion in the Corporation's information circulars.

Assessments

The Corporate Governance and Nominating Committee is charged with assessing the performance and effectiveness of the Board as a whole, the committees of the Board and the contributions of individual directors on an annual basis, based upon: (i) for directors and committees, the Mandate of the Board and the mandate of the applicable committee respectively, and (ii) for individual directors, their respective position descriptions (if any) as well as the skills and competencies which such director is expected to bring to the Board.

In consultation with the Chair of the Board, the Corporate Governance and Nominating Committee also reviews the committees of the Board, the Chairs of such committees and the mandates of such committees and make such recommendations thereon to the Board as considered advisable.

Director Term Limits and Other Mechanisms of Board Renewal

The Corporation currently benefits from a depth of industry experience on the Board. The Board is focused on working closely as a group to ensure the Corporation benefits from the valuable input and insight of each director given the Corporation's strategic focus of a broad lending-oriented credit platform. The Corporation believes that term limits for directors would have the effect of forcing directors to resign from the Board who have, or who have developed through their service on the Board, expertise and insight in the highly specialized industry in which the Corporation operates and that term limits impose a rigid and arbitrary rule on a decision that should be flexible and reasoned. Accordingly, the Board has determined that term limits are not appropriate in the Corporation's circumstances.

In the view of the Corporation, optimal corporate governance is aided by a combination of board renewal and board continuity. Directors who have served on the Board for an extended period of time will be in a unique position to provide valuable insight into the operations and future of the Corporation based on their experience with a perspective on the Corporation's history, performance and objectives. The Board believes it is important to have a balance between directors who have a history of serving on the Board and an organizational understanding of the Corporation's business with directors who bring new perspectives and ideas to the Board. Therefore, in lieu of imposing term limits, the Corporation will continue to periodically monitor director performance through formal and informal annual assessments, analyze the skills and experience necessary for the Board and evaluate the need for director changes to ensure that the Corporation has highly knowledgeable and motivated Board members, while ensuring that new perspectives are available to the Board.

Representation of Women on the Board and in Executive Officer Positions

The Corporation has not adopted a written policy specifically relating to the identification and nomination of women directors nor does the Board formally consider the level of representation of women when making executive officer appointments or set targets regarding women on the Board or in executive officer positions. However, informally, in identifying and selecting director or executive officer nominees, the Corporation values diversity, including, without limitation, diversity of experience, perspective, education, race, gender and national origin, as one among the many factors taken into consideration during the search process. The Corporation also considers, among other things, the qualifications, personal qualities, business background and relevant experience of individual candidates as well as the overall composition of the Board

or executive officers with a view to identifying and selecting the most ideal and complementary candidates. The Corporate Governance and Nominating Committee and the Board intend to consider on an ongoing basis whether the Corporation should adopt specific policies and practices regarding the representation of women on the Board and in executive office positions, including the setting of targets for such representation.

Number of Women on the Board and in Executive Officer Positions

As of the date of this Circular, one (1) woman (representing approximately 17% of the directors of the Corporation) is currently on the Board. There is currently one (1) female executive officer of the Corporation (representing 20% of the executive officers of the Corporation).

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The Corporation's executive compensation program is designed to achieve the following objectives: (i) provide motivation and incentives to its executives with a view to aligning the interests of the executive officers with the interests of Shareholders and successfully implementing Mount Logan's business plans; (ii) attract and retain key employees and recognize the scope and level of responsibility of each position; (iii) provide a competitive level of total compensation to all of its executives; and (iv) reward superior performance and achievement. Mount Logan evaluates both performance and compensation to ensure that its compensation practices achieve such objectives. As part of the Corporation's executive compensation program, the Board, on recommendation of the Compensation Committee, has implemented Mount Logan's stock option plan, as amended from time to time (the "**Option Plan**") and Mount Logan's performance and restricted share unit plan, as amended from time to time (the "**PR Plan**"), each of which was approved by Shareholders at the annual and special meeting of Shareholders held on June 7, 2024. In accordance with the policies of Cboe Canada Inc. (the "**Exchange**"), the Corporation will not be required to seek re-approval of the Option Plan or PR Plan until June 7, 2027, being the date that is three (3) years following the previous date of Shareholder approval of the plans.

The below describes the Corporation's current compensation program.

Process

The Compensation Committee is responsible for setting objectives and performance goals for the Chief Executive Officer and Mount Logan's other executive officers, assessing the individual performance of the executive officers on a periodic basis, and recommending compensation for the Chief Executive Officer and the other executive officers to the Board.

In recommending the compensation of the executive officers, the Compensation Committee takes the following approach:

- identify the competitive market values of total compensation and the separate components of pay (including base salary, short-term incentive plan awards in the form of cash bonuses and long-term incentive plan awards in the form of stock options, restricted share units and/or performance share units for the executive officers);
- consider the strategic value of the role of the Chief Executive Officer and each other executive officer to Mount Logan to determine the target positioning of each such officer's role relative to competitive market value;

- perform an evaluation of the performance and expected performance of the executive officers; and
- ensure compensation consists of a mix of incentive awards largely tied to financial and operating performance of the Corporation.

In evaluating the performance of the Chief Executive Officer and the other executive officers, the Compensation Committee takes into account the following factors:

- performance relative to job responsibilities which, in the case of the Chief Executive Officer, includes contributions to strategic planning and execution, financial acumen in running the business, board relations, management development, and management of operations;
- key financial and non-financial achievements based on corporate and personal performance objectives;
- contributions to the leadership team; and
- attracting and retaining key personnel.

Benchmarking

In making compensation decisions, Mount Logan may seek to compare the total compensation for each of its executive officers against a comparator group of companies. This information would be used primarily in establishing base salary, short-term incentive awards and long-term incentive awards. The Corporation has not yet selected a comparator group of companies for the purposes of assessing executive compensation, but may do so in the future.

Managing Compensation-Related Risk

The Compensation Committee periodically considers the implications of the risks associated with Mount Logan's compensation policies and practices. At the present time, the Compensation Committee has not identified any risks associated with Mount Logan's compensation policies and practices that are reasonably likely to have a material adverse effect on Mount Logan. Mount Logan currently uses several practices to discourage or mitigate excessive risk-taking including, among other things: (i) strong corporate governance oversight and culture; (ii) requiring that the Board approve Mount Logan's strategic business plan and budgets, which will be considered in the context of assessing performance and awarding incentives; (iii) using an appropriate mix of pay, including fixed and performance-based compensation with short- and long-term performance conditions; and (iv) retaining discretion to adjust annual incentive payments to take into account unexpected events.

The Board, in consultation with the Compensation Committee, will continue to review Mount Logan's approach to executive compensation as the Corporation executes on its investment strategy and, if deemed appropriate in Mount Logan's circumstances, will consider alternative or supplemental compensation arrangements to mitigate and discourage excessive risk-taking.

Financial Instruments

As of the date hereof, Mount Logan does not have a formal policy that restricts the purchase by its directors, executive officers, or other employees of financial instruments (including prepaid variable forward contracts, equity swaps, collars or units of exchange funds) that are designed to hedge or offset a decrease in the market value of equity securities granted as compensation or held, directly or indirectly, by the director, executive officer or employee. To the knowledge of Mount Logan, none of the Named Executive Officers (as hereinafter defined) or Directors have purchased any such financial instruments. Mount Logan will continue to review whether a formal policy in this regard is necessary or advisable as Mount Logan continues to execute its business plan and gain further market visibility.

Components of Executive Compensation

The components of compensation for executive officers of Mount Logan may consist of:

- base salary;
- short-term incentive plan compensation in the form of cash bonuses; and
- long-term incentive plan compensation in the form of stock options, performance share units and restricted share units.

The mix of these components in any given year will be primarily influenced by the individual performance of the executive officer, the financial performance of Mount Logan and competitive market levels of compensation, with the objective that a significant portion of the total compensation will be contingent on both short-term and long-term performance.

Base Salary

Mount Logan may provide its executive officers with base salary to compensate them for services rendered during the fiscal year and to aid in attracting and retaining quality employees. The base salary for each executive officer will be reviewed annually or upon a promotion or other change in job responsibility, based on the individual's role and level of responsibility and the importance of the position to Mount Logan.

Short-Term Incentive Plan Compensation – Annual Cash Bonus

Short-term incentive plan awards would consist of an annual cash bonus based on a mix of corporate and individual objectives. The purpose of including performance-based incentive compensation, in the form of annual cash bonuses, as part of the total compensation paid to Mount Logan's executive officers, is to create a link between pay and performance to encourage and reward those individuals' contributions in producing strong results and to focus its senior management to work as a team on overall corporate results and strategic initiatives. The maximum annual performance bonus an executive officer will be eligible to receive will be expressed as a percentage of their annual base salary.

Long-Term Incentive Plan Compensation

On June 7, 2024, the Shareholders approved the Corporation's Option Plan and PR Plan.

Equity incentive awards are designed to motivate executives and others to achieve longer-term sustainable business results, align their interests with those of Shareholders and to attract and retain executives.

The Compensation Committee is of the view that the Option Plan and PR Plan, collectively, provide an appropriate framework for the granting of long-term incentive compensation that aligns with long-term value creation for Shareholders.

Summary of the Option Plan

The following is a summary of the Option Plan, which is qualified in its entirety by the full text of the Option Plan, a copy of which is attached to the management information circular of the Corporation prepared in connection with the annual and special meeting of the Shareholders held on June 7, 2024, which is available for review under the Corporation's SEDAR+ profile at www.sedarplus.ca. Capitalized terms used in this summary that are not otherwise defined in the Circular shall have the same meaning as defined in the Option Plan.

On June 7, 2024, the Shareholders approved the Option Plan. The purpose of the Option Plan is to advance the interests of the Corporation and its Subsidiaries and its shareholders by providing to the directors, officers and employees of the Corporation and its Subsidiaries and Service Providers a performance incentive for continued and improved service with the Corporation and its Subsidiaries and by enhancing such persons' contribution to increased profits by encouraging capital accumulation and share ownership. The Option Plan provides that the Administrators may, from time to time, at its discretion, grant to directors, officers, employees and certain other service providers of the Corporation or its subsidiaries (i.e. a Participant), in connection with their employment or position, options to purchase Shares. The purchase price for any optioned Shares is fixed by the Administrators, which purchase price will not be less than the Fair Market Value of a Share on the date the option is granted, being the closing price of the Shares on the Exchange (or, if the Shares are not then listed on the Exchange, on such other stock exchange or automated quotation system on which the Shares are then listed or quoted, as the case may be, as may be selected by the Administrators for such purpose) on the last trading day on which Shares traded prior to the day on which an Option is granted, provided that if no Shares traded on such date, the Fair Market Value shall be the average of the bid and ask prices in respect of the Shares at the close of trading on such date.

The aggregate number of Shares that are issuable under the Option Plan upon the exercise of Options which have been granted and are outstanding under the Option Plan, together with Shares that are issuable pursuant to outstanding awards or grants under any other Share Compensation Arrangement, shall not at any time exceed 15% of the Shares then issued and outstanding, subject to adjustment to give effect to any relevant changes in the capitalization of the Corporation. Shares in respect of which Options have been granted but which are forfeited, cancelled or otherwise terminated or expire without being exercised shall be available for subsequent Options. As an "evergreen" plan, the Exchange requires that all unallocated options, rights and other entitlements under the Option Plan be approved by Shareholders on a periodic basis, each approval being effective for a period of three (3) years.

The aggregate number of Shares reserved for issuance pursuant to options granted under the Option Plan and options or other entitlements granted under any other Share Compensation Arrangement to Insider Participants (as a group) shall not exceed 15% of the aggregate number of Shares outstanding (on a non-diluted basis). Within any one-year period, the aggregate number of Shares issued to Insider Participants (as a group) pursuant to options granted under the Option Plan or options or other entitlements granted under any other Share Compensation Arrangement shall not exceed 15% of the aggregate number of Shares outstanding (on a non-diluted basis).

In addition to the foregoing limits, the maximum aggregate grant date fair value using the Black-Scholes-Merton valuation model of option grants to any non-employee director of the Corporation in any fiscal year of the Corporation shall not exceed C\$100,000.

The Option Plan provides that Options granted to a citizen or resident of the United States of America and who, at the time of grant, is an employee of the Corporation or any parent or subsidiary of the Corporation may be an “incentive stock option” within the meaning of the U.S. Internal Revenue Code, if so determined by the Administrators. The Option Plan includes various provisions that apply specifically to each such “incentive stock option”.

Options granted under the Option Plan have a maximum term of 10 years from the date of grant. Options will become available for purchase by a Participant on a date or dates to be determined by the Administrators on the date of grant. Vested options may be exercised in whole or in part at any time by a Participant by payment of the aggregate exercise price therefor in full either: (a) by cash, certified cheque or bank draft or wire transfer; (b) if approved by the Administrators, through means of a “net settlement,” whereby no exercise price will be due and where the number of Shares issued upon such exercise will be equal to: (A) the product of (i) the number of Shares as to which the Option is then being exercised, and (2) the difference between (x) the then current Fair Market Value per Share and (y) the exercise price per Share, divided by (B) the then current Fair Market Value per Share. A number of Shares equal to the difference between the number of Shares as to which the Option is then being exercised and the number of Shares actually issued to the Participant upon such net settlement will be deemed to have been received by the Corporation in satisfaction of the exercise price; (c) if approved by the Administrators, through an arrangement with a broker approved by the Corporation (or through an arrangement directly with the Corporation) whereby payment of the exercise price is accomplished with the proceeds of the sale of Shares deliverable upon the exercise of the Option; or (d) by such other method as the Administrators may approve or accept.

Subject to the terms of the Option Plan with respect to a Participant’s death, no Options may be transferred or assigned. Options may be exercised by the Participant and, upon the Participant’s death, the legal representative of his or her estate or any other person who acquires his or her rights in respect of an Option by bequest or inheritance. A person exercising an Option may subscribe for Shares only in his or her own name or in his or her capacity as a legal representative. All Options exercised during the Participant’s lifetime shall only be exercisable by the Participant or, in the event of his or her disability, by his or her personal representative.

Notwithstanding anything to the contrary set forth in the Option Plan, upon or in anticipation of any Change of Control, the Administrators may, in their sole and absolute discretion and without the need for the consent of any Participant, take one or more of the following actions contingent upon the occurrence of that Change of Control: (a) cause any or all outstanding Options to become vested and immediately exercisable, in whole or in part; and/or (b) cause any outstanding Option to become fully vested and immediately exercisable for a reasonable period in advance of the Change of Control.

The Board may in its discretion, amend, suspend or terminate the Option Plan, or any portion thereof, at any time without obtaining the approval of Shareholders of the Corporation, subject to those provisions of applicable law and regulatory requirements (including the rules, regulations and policies of the Exchange), if any, that require the approval of Shareholders. Any amendment to any provision of the Option Plan will be subject to any required regulatory or governmental approvals. Notwithstanding the foregoing, the Corporation will be required to obtain the approval of the Shareholders of the Corporation for any amendment related to:

- (a) an increase to the maximum number Shares which may be issued under the Option Plan, except pursuant to the provisions of the Option Plan which permit the Administrators to make equitable adjustments in the event of certain transactions affecting the Corporation or its capital;

- (b) an increase in, or the removal of, the limits on the number of Shares Reserved for Issuance to Insider Participants;
- (c) an increase in, or the removal of, the limits on participation in the Option Plan by non-employee directors;
- (d) a reduction in the exercise price per Share for Options (for this purpose, a cancellation or termination of an Option prior to its expiry date for the purpose of re-issuing an Option to the same Participant with a lower exercise price shall be treated as an amendment to reduce the exercise price of an Option), except pursuant to the provisions of the Option Plan which permit the Administrators to make equitable adjustments in the event of transactions affecting the Corporation or its capital;
- (e) an extension to the term of Options beyond the original expiry date, except in respect of blackout periods and other trading restrictions;
- (f) providing that an Option may be transferred or assigned other than for normal estate settlement purposes;
- (g) the addition of additional categories of Participants that may permit the introduction or re-introduction of non-employee directors on a discretionary basis; or
- (h) the deletion or reduction of the range of amendments which require the approval of Shareholders of the Corporation.

The Corporation shall not provide financial assistance to Participants in connection with the Option Plan.

Summary of the PR Plan

The following is a summary of the PR Plan, which is qualified in its entirety by the full text of the PR Plan, a copy of which is attached to the management information circular of the Corporation prepared in connection with the annual and special meeting of the Shareholders held on June 7, 2024, which is available for review under the Corporation's SEDAR+ profile at www.sedarplus.ca. Capitalized terms used in this summary that are not otherwise defined in the Circular shall have the same meaning as defined in the PR Plan.

On June 7, 2024, the Shareholders approved the PR Plan. The purposes of the PR Plan are to (i) promote a significant alignment between employees, directors and Service Providers of the Corporation and the growth objectives of the Corporation, (ii) associate a portion of participating employees', directors' and Service Providers' compensation with the performance of the Corporation over the long term, and (iii) to attract and retain critical personnel to drive the business success of the Corporation. Grants may be made under the PR Plan to directors, officers and employees of the Corporation or of any subsidiary of the Corporation. PSU and RSU awards that vest in accordance with their terms will be paid in either (a) Shares issued from treasury; or (b) cash.

The aggregate number of Shares that are issuable under the PR Plan to pay awards which have been granted and are outstanding under the PR Plan, together with Shares that are issuable pursuant to outstanding awards or grants under any other Share Compensation Arrangement, shall not at any time exceed 15% of the Shares then issued and outstanding subject to adjustment to give effect to any relevant changes in capitalization of the Corporation. Shares in respect of which Awards have been granted but which are (i)

vested and redeemed or (ii) forfeited, surrendered, cancelled or otherwise terminated or expire without the delivery of Shares shall be available for subsequent Awards. In addition, the number of Shares subject to an Award (or portion thereof) that the Corporation permits to be settled in cash in lieu of settlement in Shares shall be available for subsequent Awards. Within any one-year period, the aggregate number of Shares issued to Insiders (as a group) pursuant to the PR Plan and any other Share Compensation Arrangement shall not exceed 15% of the issued and outstanding Shares (on a non-diluted basis). As an “evergreen” plan, the Exchange will require that all unallocated awards, rights and other entitlements under the PR Plan be approved by Shareholders on a periodic basis, each approval being effective for a period of three (3) years.

Awards under the PR Plan shall be limited as follows:

- (a) the total number of Shares reserved for issuance to Insiders (as a group) under the PR Plan, together with Shares reserved for issuance to Insiders under any other Share Compensation Arrangement, shall not at any time exceed 15% of the issued and outstanding Shares (on a non-diluted basis);
- (b) within any one-year period the aggregate number of Shares issued to Insiders (as a group) pursuant to the PR Plan and any other Share Compensation Arrangement shall not exceed 15% of the issued and outstanding Shares (on a non-diluted basis); and
- (c) the maximum aggregate grant date fair value using the Black-Scholes-Merton valuation model of awards under the PR Plan, together with awards or grants under any other Share Compensation Arrangement, to any non-employee director of the Corporation in any fiscal year of the Corporation shall not exceed C\$150,000.

All issuances of Shares from treasury to pay awards shall be deemed to be issued at a price per Share equal to the Market Value on the date of issuance.

Awards granted under the PR Plan will be made with a specified dollar value (i.e. the Award Value) as of the date of grant, as determined by the Board or by the grant of specific amounts of PSUs or RSUs. In the case of PSUs, the Board may determine any performance criteria applicable to the PSU.

Unless the Board determines to grant a Participant a specific number of PSUs without specifying an Award Value, the PSUs granted to a Participant for a Performance Period shall be determined by dividing the Award Value determined for the Participant for such Performance Period by the Market Value (with currency conversion if necessary) as at the end of the calendar quarter immediately preceding the Award Date, rounded down to the next whole number.

Unless the Board determines to grant a Participant a specific number of RSUs without specifying an Award Value, the RSUs granted to a Participant shall be determined by dividing the Award Value of an award to be provided to the Participant in the form of RSUs by the Market Value (with currency conversion if necessary) as at the end of the calendar quarter immediately preceding the Award Date, rounded down to the next whole number.

Each whole PSU and RSU will give a Participant the right to receive either a Share or a cash payment, as determined by the Board, in an amount determined in accordance with the terms of the PR Plan and the applicable Award Agreement. For greater certainty, a Participant shall have no right to receive Shares or a cash payment with respect to any PSUs or RSUs that do not become Vested PSUs or Vested RSUs.

When and if cash dividends are paid on the Shares during the period from the Award Date under the Award Agreement to the date of settlement of the PSUs or RSUs granted thereunder, additional PSUs or

RSUs, as applicable, will be credited to the Participant's Account (i.e. Dividend Equivalent Units ("DEU")) in accordance with the terms of the PR Plan. DEUs shall be subject to the same Vesting conditions and shall Vest and be paid at the same time as the PSUs or RSUs, as applicable, to which they relate.

Upon the first day immediately following the end of the Performance Period, PSUs represented by the PSU Balance as at such date shall Vest subject to the terms of the PR Plan, with the number of Vested PSUs being equal to the PSU Balance as at such date multiplied by the Performance Adjustment Factor as determined by the Board in accordance with the Award Agreement. For certainty, in the event the Performance Adjustment Factor is equal to zero, no PSUs will vest. PSUs which do not become Vested PSUs shall be forfeited by the Participant and the Participant will have no further right, title or interest in such PSUs.

Upon the Vesting Date(s) specified in the applicable Award Agreement the RSUs comprising a Participant's RSU Balance shall Vest in such proportion as may be determined in accordance with the Award Agreement. RSUs which do not become Vested RSUs shall be forfeited by the Participant and the Participant will have no further right, title or interest in such RSUs.

In the event that a Participant's Vested PSUs or Vested RSUs have been designated by the Board for settlement in Shares issued from treasury, the Participant or his legal representative, as applicable, shall receive a number of Shares equal to the number of Vested PSUs or Vested RSUs, as the case may be, credited to the Participant's Account (rounded down to the nearest whole number of Shares). In such event, such Shares shall be distributed to the Participant or his legal representative, as applicable, as soon as practicable following the applicable Vesting Date but in no event shall the payment be made later than December 31 of the third calendar year following the year in which the services giving rise to the award of PSUs or RSUs were rendered.

In the event that a Participant's Vested PSUs or Vested RSUs have not been designated by the Board for settlement in Shares issued from treasury, the Participant or his legal representative, as applicable, shall receive a cash payment equal to: (i) in the case of PSUs, the Market Value determined as of the last day of the Performance Period multiplied by the number of Vested PSUs credited to his PSU Account as of the last day of such Performance Period (rounded down to the nearest whole number of PSUs); and (ii) in the case of RSUs, the Market Value determined as of the Vesting Date of such RSUs multiplied by the number of Vested RSUs credited to his Account as of the Vesting Date (rounded down to the nearest whole number of RSUs). The cash payment shall be made to the Participant or his legal representative, as applicable, in a single lump sum as soon as practicable following the applicable Vesting Date but in no event shall the payment be made later than December 31 of the third calendar year following the year in which the services giving rise to the award of PSUs or RSUs were rendered.

Except as otherwise provided in the Award Agreement governing the grant of PSUs or RSUs to a Participant or a written employment or other agreement between the Participant and the Corporation or any Subsidiary, in the event that, during a Performance Period with respect to PSUs or prior to a Vesting Date with respect to RSUs, (i) the Participant's employment or service as a director is terminated by the Corporation or a Subsidiary of the Corporation for any reason, or (ii) a Participant voluntarily terminates his employment with the Corporation or a Subsidiary of the Corporation or service as a director, including due to retirement, no portion of the PSUs subject to such Performance Period or RSUs that would otherwise Vest on such Vesting Date shall Vest and the Participant shall receive no payment or other compensation in respect of such PSUs or RSUs or loss thereof, on account of damages or otherwise; provided that any Vested PSUs and Vested RSUs will be settled in accordance with the payment of cash or Shares sections of the PR Plan.

The PR Plan may be amended or terminated at any time by the Board in whole or in part, provided that:

- (a) no amendment of the PR Plan shall, without the consent of the Participants affected by the amendment, or unless required by Applicable Law, adversely affect the rights accrued to such Participants with respect to PSUs or RSUs granted prior to the date of the amendment;
- (b) no amendment of the PR Plan shall be effective unless such amendment is approved by the Exchange; and
- (c) the approval of Shareholders of the Corporation shall be obtained for any:
 - (i) amendment for which, under the requirements of the Stock Exchange or any applicable law, Shareholder approval is required;
 - (ii) a reduction in pricing of an award under the PR Plan (other than an adjustment pursuant to Section 5.3 of the PR Plan in respect of certain transactions of the Corporation or its capital) or the cancellation and reissuance of awards under the PR Plan;
 - (iii) extension of the term of an award under the PR Plan;
 - (iv) any amendment to remove or exceed the Insider participation limits under the PR Plan;
 - (v) any amendment to remove or exceed the limits on participation in the PR Plan by non-employee directors;
 - (vi) an increase to the maximum number of Shares which may be issuable under the PR Plan, other than an adjustment pursuant to Section 5.3 of the PR Plan in respect of certain transactions of the Corporation or its capital;
 - (vii) the addition of additional categories of Participants that may permit the introduction or re-introduction of non-employee directors on a discretionary basis;
 - (viii) allowance of awards granted under the PR Plan to be transferable or assignable other than for normal estate settlement purposes; or
 - (ix) amendment to the amendment section of the PR Plan.

Subject to the terms of the relevant Award Agreement, in the event of a Change in Control, the PSUs and RSUs credited to the account of the Participant as at the date of the Change in Control, will become vested PSUs and RSUs on a one-for-one basis on the date of Change in Control, unless otherwise determined by the Board. As soon as practical following the Change in Control, the Participant, at the discretion of the Board, will receive a payment in cash or in Shares equal to the number of vested RSUs or PSUs, as applicable, multiplied by the price at which the Shares are valued for the purposes of the transactions giving rise to the Change in Control.

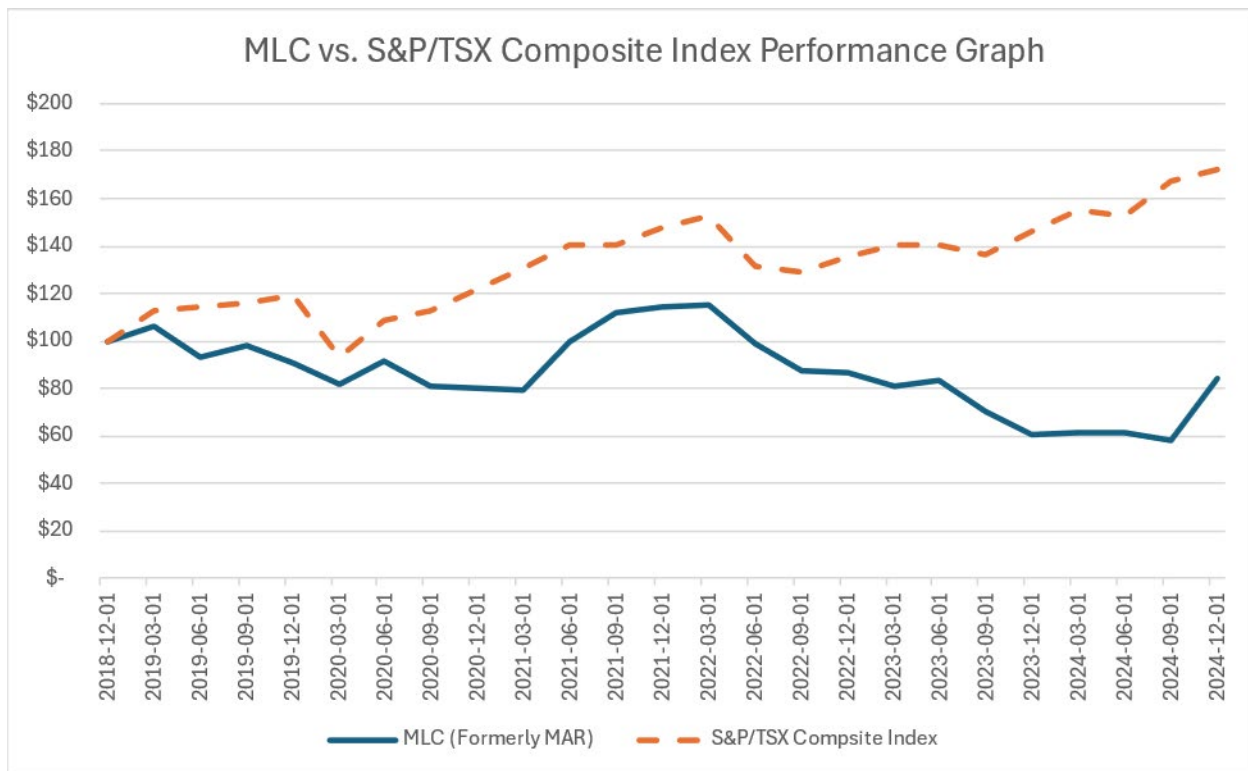

The assignment or transfer of the PSUs or RSUs, or any other benefits under the PR Plan, shall not be permitted, other than by operation of law. The Corporation shall not provide financial assistance to Participants in connection with the PR Plan.

Notes:

- (1) Represents the fair value at the date of grant for RSUs (including the DEUs) granted to each Named Executive Officer. The fair values are based on the closing price of the Shares on the Exchange on the date of grant as converted to US dollars at the Bank of Canada’s conversion rate on the date of grant. The actual value received, if any, will be different as it will depend on the price of the underlying Shares at the time such RSUs vest and are settled.
- (2) Represents the approximate fair value for RSUs (including the DEUs) granted to each Named Executive Officer. For the purposes of the value disclosed for 2023 share-based awards: (i) the value of the RSUs (which, in Mr. Goldthorpe’s case, includes grants of RSUs approved by the Board for compensation earned in 2023 that were ultimately issued in 2024 and, accordingly, such amounts are additionally included in the fair value disclosed for 2024 share-based awards) is calculated by

multiplying the number of RSUs that were held or would have been held on December 31, 2023 had such RSUs been granted in 2023 by the closing price of the Shares on the Exchange on the last trading day of fiscal 2023 of C\$2.00 per share, as converted to US dollars at the Bank of Canada's conversion rate on such date of C\$1.00 = US\$0.7561, being \$1.51 per share; and (ii) the value of the DEUs is calculated by multiplying the aggregate number of DEUs held on the last trading day of fiscal 2023 by the closing price of the Shares on the Exchange on the last trading day of fiscal 2023 of C\$2.00 per share, as converted to US dollars at the Bank of Canada's conversion rate on such date of C\$1.00 = US\$0.7561, being \$1.51 per share.

- (3) Mr. Roos resigned as Chief Financial Officer and Corporate Secretary of the Corporation effective April 1, 2024, and Ms. Nikita Klassen was concurrently appointed as the Chief Financial Officer and Corporate Secretary of the Corporation.
- (4) Mr. Roos was an employee of BC Partners during fiscal 2022, 2023 and 2024, until his resignation effective April 1, 2024. The stated salary represents the amount BC Partners was reimbursed by the Corporation for an allocable portion of the compensation paid by BC Partners (or its affiliates) to Mr. Roos relating to services performed by Mr. Roos as Chief Financial Officer of the Corporation during each of fiscal 2022 and 2023.
