FTE Networks, Inc. Launches New Website

NAPLES, FL -- (Marketwired) -- 08/17/16 -- **FTE Networks, Inc.** (OTCQX: FTNW) ("**FTE**" or **the "Company"**), a leading network infrastructure solutions provider in the technology and telecommunications vertical, announced the launch of their newly redesigned interactive website today; <http://www.ftenet.com>.

Michael Palleschi, Chief Executive Officer and Chairman of the Board of FTE Networks, Inc. (FTNW) stated, "This website is another step in our continued efforts to improve on communication with our customers and investors. The newly enhanced website offers simplified site navigation making it easier and quicker for visitors to access pertinent information."

FTE's user-friendly website offers dynamic content, optimized imagery and can be access through any device; computer, tablet or mobile. Visitors can expect to view a segmented list of FTE's services and solutions as well as important investor information. Amongst the new features is a section dedicated to News & Media that is constantly updated with the latest corporate announcements. www.ftenet.com is a dependable resource for accurate information surrounding FTE Network, Inc.

"Our company has evolved; we are not the same company we were just a few years ago. It was essential that we have a website that represents who we are today. This new site proudly displays our recently expanded service offerings and provides reliable information to our customers and investors. Some of our core customers and partners are leaders in the world of digital content and technology and we feel we now have a website that is conducive to them," said Michael Palleschi, Chairman and Chief Executive Officer of FTE Networks (FTNW).
