FTE Networks to Present at LD Micro Main Event Conference

NAPLES, FL -- (Marketwired) -- 10/27/16 -- **FTE Networks, Inc. (OTCQX: FTNW) ("FTE" or the "Company")**, a leading network infrastructure solutions provider in the technology and communications vertical, today announced that management will present at the 9th Annual LD Micro Main Event Conference on Tuesday, December 6th at 12:00 PM Pacific Time at the Luxe Sunset Boulevard Hotel in Los Angeles, CA.

About LD Micro

LD Micro was founded in 2006 with the sole purpose of being an independent resource in the microcap space. What started out as a newsletter highlighting unique companies has transformed into an event platform hosting several influential conferences annually (Invitational, Summit, and Main Event).

In 2015, LDM launched the first pure microcap index (the LDMi) to exclusively provide intraday information on the entire sector. LD will continue to provide valuable tools for the benefit of everyone in the small and microcap universe.

For those interested in attending, please contact David Scher at david@ldmicro.com or visit www.ldmicro.com for more information.

About FTE Networks, Inc.

FTE Networks is on the leading edge of network transformation helping communications service providers, government and enterprise customers evolve their networks to meet advancing technology requirements via network infrastructure, and edge computing solutions to quickly enhance service innovation and deliver new revenue streams. With a focus on smart design, open architectures and consistent standards, along with expertise in building, operating, and maintaining networks, FTE solves complex network and system challenges that reduce costs and deployment time to accelerate delivery and optimize performance of network infrastructure. Operating five (5) industry segments; Data Center Infrastructure, Fiber Optics, Wireless Integration, Network Engineering, and Compute to the Edge, FTE Networks is headquartered in Naples, Florida, with offices throughout the United States and Europe. For more information, please visit: www.ftenet.com.
