## Sigma Labs Announces First Quarter Conference Call

SANTA FE, N.M., April 25, 2016 (GLOBE NEWSWIRE) -- Sigma Labs, Inc. (OTCQB:SGLB) ("Sigma Labs" or the "Company"), a developer of advanced, in process, non-destructive quality inspection systems for metal-based additive manufacturing ("AM") and other advanced manufacturing technologies, today announced that it will host a conference call to discuss the financial results for the Company's first quarter of fiscal 2016. The conference call will be held Thursday, May 12, 2016, at 11:00 a.m. Eastern Time. Sigma Labs plans to release the Company's 2016 first quarter results prior to market open that same day.

To participate in the call, please dial toll free 1-866-652-5200, or 1-412-317-6060, approximately five minutes before the conference call time stated above. A live webcast of the call can also be accessed on the Sigma Labs website at [www.sigmalabsinc.com](http://www.sigmalabsinc.com). A recording will be available on the Company's website upon completion of the call.

### **About Sigma Labs, Inc.**

Sigma Labs, Inc. develops and engineers advanced, in-process, non-destructive quality inspection systems for commercial firms worldwide seeking productive solutions for metal-based additive manufacturing or 3D printing, and other advanced manufacturing technologies.
