

US VR GLOBAL INC.

---

### Company Overview

US VR GLOBAL, INC. was founded with the aim of developing and providing cutting-edge virtual reality and augmented reality experiences to the emerging market audience at an affordable price-point. Thus, enhancing leisure activities and business application solution.

Our key focus areas are to:

- Develop and operate HERO CENTRAL PARK, a next generation playground
- Publish AR / VR games in partnership with some of the most innovative game studios in the world
- Develop proprietary AR enabled applications & mobile games
- Provide business solutions and applications for VR / AR

Our business model is based on collaborating with award-winning VR / AR software developers, device manufacturers and IP owners around world, working with our in-house development team to tailor the experiences to the users of our target markets. This enables us to offer a wide choice of high demand games and business applications, as well as a constant flow of new and innovative games and software applications.
