Norwegian Cruise Line Holdings Ltd. Announces Relaxation of Cancellation Policies for Norwegian Cruise Line, Oceania Cruises and Regent Seven Seas Cruises to Provide Guests Peace of Mind Around Current Travel Uncertainties

New Flexible Cancellation Policies Allow Guests to Cancel Their Cruise Vacation Up to 48 Hours Prior to Voyage Embarkation

New Policies Apply to Existing and New Cruise Bookings Made for Sailings Through September 30, 2020

MIAMI, March 09, 2020 (GLOBE NEWSWIRE) -- Norwegian Cruise Line Holdings Ltd. ("Norwegian" or "the Company") (NYSE: NCLH), a leading global cruise company which operates the Norwegian Cruise Line, Oceania Cruises and Regent Seven Seas Cruises brands, today announced the relaxation of cancellation policies for its three brands to provide guests with peace of mind around current travel concerns from the uncertainties pertaining to the COVID-19 coronavirus outbreak by providing guests with the flexibility to cancel their cruise vacation up to 48 hours prior to embarkation. This new policy is for guests booked on Norwegian Cruise Line, Oceania Cruises and Regent Seven Seas Cruises and is valid for both new and existing cruise bookings for sailings through September 30, 2020. Guests who choose to cancel their cruise vacation will receive a future cruise credit for 100% of the cruise fare paid which can be applied to any future cruise across the globe through December 31, 2022.

"Cruise vacations should be carefree and the uncertainty around the COVID-19 coronavirus outbreak is weighing on guests' minds, providing a less than ideal start to their vacation. Our relaxed cancellation policies are designed to put our guests at ease with the flexibility to cancel their booking and sail at a date in the future," said Frank Del Rio, president and chief executive officer of Norwegian Cruise Line Holdings Ltd. "We understand the constantly evolving nature of the current environment is challenging and frustrating for our loyal guests and valuable travel partners and we want to do everything in our power to alleviate their concerns, increase confidence and provide more optionality."

About Norwegian Cruise Line Holdings Ltd.

Norwegian Cruise Line Holdings Ltd. (NYSE: NCLH) is a leading global cruise company which operates the Norwegian Cruise Line, Oceania Cruises and Regent Seven Seas Cruises brands. With a combined fleet of 28 ships with approximately 59,150 berths, these

Cautionary Statement Concerning Forward-Looking Statements

Certain statements in this release constitute forward-looking statements within the meaning of the U.S. federal securities laws intended to qualify for the safe harbor from liability established by the Private Securities Litigation Reform Act of 1995. All statements other than statements of historical facts contained in this release are forward-looking statements. Many, but not all, of these statements can be found by looking for words like "expect," "anticipate," "goal," "project," "plan," "believe," "seek," "will," "may," "forecast," "estimate," "intend," "future," and similar words. Forward-looking statements do not guarantee future performance and may involve risks, uncertainties and other factors which could cause our actual results, performance or achievements to differ materially from the future results, performance or achievements expressed or implied in those forward-looking statements. Examples of these risks, uncertainties and other factors include, but are not limited to the impact of: adverse events impacting the security of travel, such as terrorist acts, armed conflict and threats thereof, acts of piracy, and other international events; adverse incidents involving cruise ships; adverse general economic and related factors, such as fluctuating or increasing levels of unemployment, underemployment and the volatility of fuel prices, declines in the securities and real estate markets, and perceptions of these conditions that decrease the level of disposable income of consumers or consumer confidence; the spread of epidemics and viral outbreaks; breaches in data security or other disturbances to our information technology and other networks or our actual or perceived failure to comply with requirements regarding data privacy and protection; changes in fuel prices and the type of fuel we are permitted to use and/or other cruise operating costs; mechanical malfunctions and repairs, delays in our shipbuilding program, maintenance and refurbishments and the consolidation of qualified shipyard facilities; the risks and increased costs associated with operating internationally; fluctuations in foreign currency exchange rates; the unavailability of ports of call; overcapacity in key markets or globally; our expansion into and investments in new markets; our inability to obtain adequate insurance coverage; our indebtedness and restrictions in the agreements governing our indebtedness that limit our flexibility in operating our business, including the significant portion of assets that are collateral under these agreements; pending or threatened litigation, investigations and enforcement actions; volatility and disruptions in the global credit and financial markets, which may adversely affect our ability to borrow and could increase our counterparty credit risks, including those under our credit facilities, derivatives, contingent obligations, insurance contracts and new ship progress payment guarantees; our inability to recruit or retain qualified personnel or the loss of key personnel or employee relations issues; our reliance on third parties to provide hotel management services for certain ships and certain other services; future increases in the price of, or major changes or reduction in, commercial airline services; our inability to keep pace with developments in technology; changes involving the tax and environmental regulatory regimes in which we operate; and other factors set forth under "Risk Factors" in our most recently filed Annual Report on Form 10-K and subsequent filings by the Company with the Securities and Exchange Commission. The above examples are not exhaustive and new risks emerge from time to time. Such forward-looking statements are based on our current beliefs, assumptions, expectations, estimates and projections regarding our present and future business strategies and the environment in which we expect to operate in the future. These forward-looking statements speak only as of the date made. We expressly disclaim any obligation or undertaking to release publicly any updates or revisions to any forward-looking statement contained herein to reflect any change in our expectations with

regard thereto or any change of events, conditions or circumstances on which any such statement was based, except as required by law.
