Webcast: <http://wsw.com/webcast/ldmicro5/ATNM>
1x1 Meetings Contact: Corey Sohmer (646) 459-4201

A live webcast of the presentation will be available via the "Investor Relations" page of the Actinium website, www.actiniumpharmaceuticals.com. A replay of the webcast will also be archived on Actinium's website for 90 days following the presentation.

LD Micro Conference:

The LD Micro Conference is a three-day conference organized by LD Micro, an internet-based newsletter that provides self-directed investors information on selected public companies that in the opinion of LD Micro have great investment potential. More than two hundred institutions focused on small and micro-cap stocks are expected to attend. A record 580 people attended the 2012 event. For more information, please visit the conference website at <http://www.ldmicro.com/>

About Actinium Pharmaceuticals

Actinium Pharmaceuticals, Inc. (OTCQB: ATNM.OB), is a New York based biopharmaceutical company developing innovative targeted payload immunotherapeutics for the treatment of advanced cancers. Actinium's targeted radiotherapy is based on its proprietary delivery platform for the therapeutic utilization of alpha emitting actinium-225 and bismuth-213 radiopharmaceuticals in conjunction with monoclonal antibodies. The Company

also develops other radiopharmaceuticals for select applications.
