Galaxy Gaming® Highlights Galaxy Operating System™ and EZ Baccarat® at IGA 2024

LAS VEGAS, April 02, 2024 (GLOBE NEWSWIRE) -- Galaxy Gaming, Inc. (OTC: GLXZ), the world's leading independent developer and distributor of casino table games and technology, will showcase their innovative new table game operating system and player-favorite table games at this year's Indian Gaming Association ("IGA") Trade Show & Convention from April 10 – 11 in booth 770 at Anaheim Convention Center.

President and CEO of Galaxy Gaming, Matt Reback shared his excitement, stating, "We look forward to showcasing our premier table games and innovative solutions with our tribal partners at IGA 2024. We're proud to offer the largest library of category-leading brands that players love enhanced by technology to elevate their gaming experience. This powerful combination can transform the gaming floor for operators."

Galaxy Operating System™ - The Smartest Table Management System

Upgrade your casino floor with Galaxy Operating System (GOS), the cutting-edge game management system of the future. Boasting innovative progressive jackpot options, eye-catching Nebula LED sensors, and groundbreaking digital tracking capabilities, GOS is a pioneer and the best way for operators to offer enhanced table games on their floors.

GOS' flexible electronic bonusing platform powers the world's first Dynamic Progressive. Unlike any other progressive, Dynamic Progressive blends our most popular games with an exhilarating experience for those players looking for a thrill by adding volatility to the game without changing the play experience on the player-favorite base game. Visit the Galaxy Gaming booth to see the latest version of Dynamic Progressive complete with new themes, animations, and celebrations.

The Smart Bet – Galaxy Gaming's Ultimate Table Games Library

Boasting the most robust table games library in the industry, Galaxy Gaming fuses established classics with exciting novelties. Level up your casino floor with player favorites like 21+3®, Perfect Pairs®, and Heads Up Hold'em® now amplified with Dynamic Progressive™, powered by GOS™. Don't miss the #1 commission-free baccarat brand in North America, EZ Baccarat® now featuring the exciting new Panda 8 and Dragon 7 Progressive - the newest baccarat progressive on the market offering an individual jackpot.

Also featured in-booth is Roulette Up™, an inventive game with an optional side bet and progressive wager where players can wager that the outcome will provide an increasing sequence from each spin. Tracking is now seamless, with GOS powering digital tracking for the Roulette Up progressive wager.

Operators are invited to explore the possibilities at booth 770 and discover how Galaxy can elevate their gaming operations.

This press release contains, and oral statements made from time to time by our representatives may contain, forward-looking statements based on management's current expectations and projections, which are intended to qualify for the safe harbor of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Forward-looking statements include statements identified by words such as "believe," "will," "may," "might," "likely," "expect," "anticipates," "intends," "plans," "seeks," "estimates," "believes," "continues," "projects" and similar references to future periods, or by the inclusion of forecasts or projections. All forward-looking statements are based on current expectations and projections of future events.

These forward-looking statements reflect the current views, models, and assumptions of Galaxy Gaming, and are subject to various risks and uncertainties that cannot be predicted or qualified and could cause actual results in Galaxy Gaming's performance to differ materially from those expressed or implied by such forward looking statements. These risks and uncertainties include, but are not limited to, the ability of Galaxy Gaming to enter and maintain strategic alliances, product placements or installations in land based casinos or grow its iGaming business, garner new market share, secure licenses in new jurisdictions or maintain existing licenses, successfully develop or acquire and sell proprietary products, comply with regulations, including changes in gaming related and non-gaming related statutes and regulations that affect the revenues of our customers in land-based casino and, online casino markets, have its games approved by relevant jurisdictions, and adapt to changes resulting from the COVID-19 or other pandemics including without limitation, government imposed shut downs, travel restrictions and supply chain interruptions, unfavorable economic conditions in the US and worldwide, our level of indebtedness, restrictions and covenants in our loan agreement, dependence on major customers, protection of intellectual property and our ability to license the intellectual property rights of third parties, failure to maintain the integrity of our information technology systems, including without limitation, cyber-attacks or other failures in our telecommunications or information technology systems, or those of our collaborators, third-party logistics providers, distributors or other contractors or consultants, could result in information theft, data corruption and significant disruption of our business, and other factors. All forward-looking statements made herein are expressly qualified in their entirety by these cautionary statements and there can be no assurance that the actual results, events or developments referenced herein will occur or be realized. Readers are cautioned that all forward-looking statements speak only to the facts and circumstances present as of the date of this report. Galaxy Gaming expressly disclaims any obligation to update or revise any forward-looking statements, whether because of new information, future events or otherwise.

Actual results could differ materially from those expressed or implied in our forward-looking statements. Our future financial condition and results of operations, as well as any forward-looking statements, are subject to change and to inherent known and unknown risks and uncertainties. You should not assume at any point in the future that the forward-looking statements in this report are still valid. We do not intend, and undertake no obligation, to update our forward-looking statements to reflect future events or circumstances.
