Exodus Movement, Inc. April 2026 Treasury Update and Monthly Metrics

OMAHA, Neb., May 20, 2026 (GLOBE NEWSWIRE) -- [Exodus Movement, Inc.](#) (NYSE American: EXOD) ("Exodus" or "the company"), a leading self-custodial finance and cryptocurrency platform, today announced updated digital asset holdings, user metrics, and exchange provider processed volume metrics, as of April 30, 2026.

"We're building a business where the topline holds up when consumer trading softens, and the partner channel is part of that work," said James Gernetzke, CFO at Exodus. "XO Swap volume grew 44% month-over-month in April to \$98 million and now represents 28% of total swap volume, up from 20% in March — the highest partner mix share since November."

"We spent a decade building a place where consumers could hold their assets. Now we've built a place where they can spend them," said JP Richardson, CEO and Co-founder at Exodus. "Exodus Pay went live globally in April. With Monavate and Baanx closed this month, we own card issuing and processing end-to-end. Same principle throughout: your money, your control."

Selected Digital Asset Holdings (Unaudited)

- Bitcoin (BTC): 629 BTC as of April 30, 2026, compared to 628 BTC as of March 31, 2026.
- Ethereum (ETH): 1,872 ETH as of April 30, 2026, compared to 1,861 ETH as of March 31, 2026.
- Solana (SOL): 19,234 SOL as of April 30, 2026, compared to 17,541 SOL as of March 31, 2026.

Swap Volume

Exodus' exchange provider processed volume was \$347 million for the month of April 2026, of which \$98 million (28%) originated from the company's XO Swap partners. This compares with \$346 million exchange provider processed volume in March 2026, of which \$68 million (20%) originated from XO Swap partners.

Monthly Active Users (MAUs)

MAUs were 1.5 million as of April 30, 2026, compared to 1.5 million as of March 31, 2026.

About Exodus

Founded in 2015, Exodus Movement, Inc. (NYSE American: EXOD) is pioneering self-custodial finance by giving people the tools to earn rewards, spend, manage, and swap digital assets across borders, all without giving up control. Forward-Looking Statements

This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. All statements, other than statements of historical facts, may be forward-looking statements. Forward-looking statements are based on our beliefs and assumptions and on information currently available to us as of the date hereof. In some cases, you can identify forward-looking statements by the following words: “will,” “expect,” “would,” “should,” “intend,” “believe,” “expect,” “likely,” “believes,” “views”, “estimates”, or other comparable terminology.

Forward-looking statements in this document include, but are not limited to, management statements regarding management’s confidence in our products, services, business trajectory and plans, expectations regarding demand for our products, and volatility and trading volumes of digital asset markets. Such forward-looking statements involve a number of risks, uncertainties and other important factors that could cause our actual results to differ materially from those expressed or implied by our forward-looking statements. Such factors include those set forth in “Item 1. Business” and “Item 1A. Risk Factors” of Form 10-K filed with the Securities and Exchange Commission (the “SEC”) on March 11, 2026, as well as in our other reports filed with the SEC from time to time.

All forward-looking statements are expressly qualified in their entirety by such cautionary statements. Readers are cautioned not to place undue reliance on such forward-looking statements. Except as required by law, we undertake no obligation to update or revise any forward-looking statements that have been made to reflect events or circumstances that arise after the date made or to reflect the occurrence of unanticipated events.
