Capital City Bank Celebrates Office Reopening In West Point

WEST POINT, Ga., November 19, 2026– Capital City Bank celebrated the grand reopening of its banking office at 301 W. 10th St. on Tuesday, November 17, with a ribbon-cutting ceremony commemorating its relocation to the new space on November 9. Attendees included leadership from Capital City Bank, members of the Capital City Bank Troup and Chambers County Community Board, West Point, Georgia, Mayor Steve Tramell, Valley, Alabama, Mayor Leonard Riley and members of the Greater Valley Area Chamber of Commerce.

“Capital City Bank is eager to continue serving our hometown neighbors and businesses at our new, modern office,” said Karen Meadows, Capital City Bank president of Troup and Chambers counties. “I am so proud of the extraordinary team of West Point bankers who diligently serve and care for our clients every day.”

The newly constructed West Point banking office features a modern design and enhanced drive-in experience, which includes the financial institution’s first installation of deal drawers alongside its video teller machines. Deal drawers provide an additional option for clients to conveniently exchange documents and complete transactions through the drive-in. The office also offers a full array of consumer and business banking and lending solutions, along with video teller technology that provides live assistance from a banker via video chat.

Video teller technology is available to Capital City Bank clients with or without a debit card from 7 a.m. until 8 p.m., Monday through Friday, and from 9 a.m. until 3 p.m. on Saturday. The machines are equipped with a Smart ATM option for self-service banking with a debit card 24 hours a day. The Smart ATM has all the standard features of a traditional ATM but includes several key enhancements that make it easier, faster and more convenient than ever before. It accepts cash and check deposits up to 30 items in a single transaction, and checks post same day when deposited by 9 p.m. on business days.
