MAXIMUS to Present at the UBS Global Technology and Services Conference

RESTON, Va.--(BUSINESS WIRE)-- MAXIMUS (NYSE:MMS), a leading provider of government services, announced this morning that Richard Montoni, President and Chief Executive Officer, and Bruce Caswell, President and General Manager of Health Services, will present at the UBS Global Technology and Services Conference later today, Monday, June 8, 2009 at 1:15 p.m. (ET) in New York. A live broadcast of the presentation will be available on the MAXIMUS website at www.maximus.com, under the Investor Relations page.

MAXIMUS is a leading provider of government services and is devoted to providing health and human services program management and consulting services to its clients. The Company has more than 6,000 employees located in more than 220 offices in the United States, Canada, and Australia. Additionally, MAXIMUS is included in the Russell 2000 Index and the S&P SmallCap 600 Index.

Statements that are not historical facts, including statements about the Company's confidence and strategies and the Company's expectations about revenues, results of operations, profitability, future contracts, market opportunities, market demand or acceptance of the Company's products are forward-looking statements that involve risks and uncertainties. These uncertainties could cause the Company's actual results to differ materially from those indicated by such forward-looking statements and include reliance on government clients; risks associated with government contracting; risks involved in managing government projects; legislative changes and political developments; opposition from government unions; challenges resulting from growth; adverse publicity; and legal, economic, and other risks detailed in Exhibit 99.1 to the Company's most recent Quarterly Report filed with the Securities and Exchange Commission, found on www.maximus.com.
