MAXIMUS Expands Its Health Care Reform Webinar Series

- In Response to Overwhelming Interest, MAXIMUS Provides Insights and Solutions for Government Health and Human Services Programs -

RESTON, Va.--(BUSINESS WIRE)-- MAXIMUS, Inc. (NYSE:MMS), a leading provider of government services worldwide, announced today several new health care reform webinars as part of its Webinar Series. The series provides federal, state and local government health services organizations with insights and solutions to challenges presented by health care reform.

This ongoing series of free webinars features MAXIMUS subject matter experts and special guests presenting ideas, innovations and solutions for government health and human services programs. Upcoming topics include:

- Using Social Media to Reach and Engage Participants of Public Health Insurance Programs (July 23)
- Long-term Care and Ambient-assisted Living Programs (August 13)
- The Impact of Meaningful Use on Health Reform (August 27)
- Readability and Design of Marketing and Outreach Materials (September 17)
- Health Plan Oversight (October 15)
- Regional Extension Center Grant Management (November 12)
- Improving the Administration of State Health Insurance Programs (December 10)
- Health Insurance Exchanges (December 17)

Bruce Caswell, President and General Manager of MAXIMUS Health Services, commented, "On the heels of the extraordinary participation in our recent webinar on Health Insurance Exchanges, MAXIMUS is bringing its thought leadership to a broader audience through an expanded roster of webinars as part of its health reform series. We believe it's important to share insights and best practices on how we believe governments can meet the requirements of health care reform, and this webinar series represents an effective forum to engage a larger cross-section of interested parties."

The one-hour webinars include a discussion forum for questions and answers. Anyone interested in attending the MAXIMUS Webinar Series or receiving additional information should contact webinars@maximus.com or call 703.251.8398.
