MAXIMUS to Present at the Stifel Nicolaus 2013 Healthcare Conference on September 11

RESTON, Va.--(BUSINESS WIRE)-- MAXIMUS (NYSE: MMS), a leading provider of government services worldwide, announced today that several members of the management team will participate at the Stifel Nicolaus 2013 Healthcare Conference on Wednesday, September 11, 2013 at the Four Seasons Hotel in Boston, Massachusetts.

Richard Montoni, President and CEO, and Lisa Miles, Senior Vice President of Investor Relations, will present at 9:10 a.m. ET and an audio cast will be available on the Investor Relations section of the Company's website at http://investor.maximus.com.

In addition, Ilene Baylinson, President of Health Services East, will participate in a panel discussion titled "Perspectives on the Upcoming Exchanges" at 10:20 a.m. ET. Ms. Baylinson will share the Company's experience as it ramps up and begins to operate the customer contact centers for six state-based health insurance exchanges.

About MAXIMUS

MAXIMUS is a leading operator of government health and human services programs in the United States, United Kingdom, Canada, Australia and Saudi Arabia. The Company delivers business process services to improve the cost effectiveness, efficiency and quality of government-sponsored benefit programs, such as Medicaid, Medicare, Children's Health Insurance Program (CHIP), Health Insurance BC (British Columbia), as well as welfare-to-work and child support programs around the globe. The Company's primary customer base includes federal, provincial, state, county and municipal governments. Operating under its founding mission of *Helping Government Serve the People*®, MAXIMUS has approximately 9,750 employees worldwide. For more information, visit www.maximus.com.

Statements that are not historical facts, including statements about the Company's confidence and strategies and the Company's expectations about revenues, results of operations, profitability, future contracts, market opportunities, market demand or acceptance of the Company's products are forward-looking statements that involve risks and uncertainties. These uncertainties could cause the Company's actual results to differ materially from those indicated by such forward-looking statements and include reliance on government clients; risks associated with government contracting; risks involved in managing government projects; legislative changes and political developments; opposition from government unions; challenges resulting from growth; adverse publicity; and legal, economic, and other risks detailed in Exhibit 99.1 to the Company's most recent Quarterly Report filed with the Securities and Exchange Commission, found on www.maximus.com.
