MAXIMUS Welcomes Kelly Clark as New Chief Information Officer

RESTON, Va.--(BUSINESS WIRE)-- MAXIMUS (NYSE: MMS), a leading provider of government services worldwide, announced today the appointment of Kelly Clark as Chief Information Officer. In this role, Mr. Clark will be responsible for establishing and executing the Company's global technology strategy, as well as ensuring that all technology initiatives support the key objectives of MAXIMUS and its global business units. His appointment was effective October 1, 2014.

Mr. Clark joins MAXIMUS from Optum, part of United Health, where he served as the Senior Vice President of Data Operations. Prior to that position, he served as OptumHealth's Chief Information Officer and OptumHealth Financial Services' Chief Operating Officer. He brings more than 20 years of experience in the information technology field.

"Kelly brings extensive experience in global technology strategy and operational execution to MAXIMUS. He will play an important role in leveraging core technologies and promoting innovation so that MAXIMUS can continue to deliver world-class solutions at the local level," commented Bruce Caswell, President of MAXIMUS.
