# Crown Electrokinetics Announces New Fiber Construction Customer and Project in Idaho

**LOS ANGELES, CA / ACCESSWIRE / May 2, 2024** /Crown Electrokinetics Corp. (NASDAQ:CRKN) ("Crown" or the "Company"), a leading smart glass technology company and an expert in constructing fiber optic networks, today announced that it has secured a project in Idaho for horizontal drilling work as a prime contractor with Fat Beam Fiber.

The large fiber to the home project is anticipated to commence immediately where it is expected to continue throughout the calendar year, likely resulting in additional work in both California and Oregon.

Corey Boaz, President of Construction for Crown Fiber Optics stated. "We are pleased to announce today's new project in Idaho, on the heels of the Nevada one earlier this week. Opportunities like these are based on existing relationships and an established trust that the Crown team is capable of completing the work on time and with established quality guidelines."
