

Global Payments Expands Integrated Fundraising Software Solutions to Canada

TORONTO & HILLSBORO, Ore.--(BUSINESS WIRE)-- Global Payments Inc. (NYSE: GPN), a leading worldwide provider of payment technology and software solutions, announced today the expansion of its Greater Giving fundraising software solutions to Canada. The suite of integrated software solutions is designed to simplify fundraising events and streamline business processes, including online payments, event management and mobile bidding.

Greater Giving provides cloud-based SaaS fundraising software and payment technology solutions to nonprofits and schools throughout the United States. Its products are used by more than 10,000 nonprofit organizations, helping raise over \$6 billion in donations since 2002. With this expansion, organizations across Canada will now benefit from these innovative software driven solutions in their fundraising efforts.

"Global Payments is committed to delivering technology enabled solutions that drive unique value for our customers," said Rene Belanger, President of Global Payments Canada. "With the Greater Giving suite of integrated software solutions, we are able to empower nonprofit and charitable organizations across Canada to simplify processes and raise more funds."

"Greater Giving is widely established in North America because of its proven success helping nonprofits and schools," said Terry Roberts, President of Education Solutions, Greater Giving & MicroPayments at Global Payments. "Expanding into Canada will provide our solutions to a broader audience of fundraisers. We remain committed to providing software and educational resources to those dedicated to the important mission of helping others in the communities where we live and work."
