Global Payments Signs Multi-Year Payments Agreement with UMB Bank

ATLANTA--(BUSINESS WIRE)-- Global Payments Inc. (NYSE: GPN), a leading worldwide provider of payment technology and software solutions, today announced that TSYS, its Issuer Solutions business, has signed a multi-year agreement with UMB Bank, a subsidiary of UMB Financial Corporation (Nasdaq: UMBF).

Under the agreement, TSYS will provide a range of processing and support services for UMB Bank's consumer and commercial credit, debit and healthcare card portfolios.

"We selected TSYS because of their commitment to technology and continued investment in innovation," said Uma Wilson, Executive Vice President and Director of Product Management at UMB. "Building a better customer experience through digital enablement across all our platforms combined with scalability is important as we continue to grow our business."

"We're excited about this new partnership with UMB Bank, a financial institution with an outstanding reputation and wide array of offerings," said Gaylon Jowers, President, Issuer Solutions and Senior Executive Vice President, Global Payments. "Our leadership in developing innovative products and driving digital growth, along with our commitment to partnership and passion for customer service, were integral in making this strategic win possible."

Terms of the agreement were not disclosed.
