AxoGen, Inc. Announces Proposed Public Offering of Common Stock

Nerve repair company intends to use proceeds to expand commercial efforts

Alachua, FL (PRWEB) February 04, 2015

AxoGen, Inc. (NASDAQ: AXGN), a leading medical technology company with a unique and innovative portfolio of products used to repair injured peripheral nerves, today announced that it intends to offer and sell, subject to market and other conditions, shares of its common stock in an underwritten public offering. There can be no assurance as to whether or when the offering may be completed, or as to the actual size or terms of the offering. Wedbush PacGrow Life Sciences is acting as sole manager for the offering.

AxoGen intends to use the net proceeds of the offering for continued expansion of its sales force, surgeon education program and general corporate purposes.

The shares described above are being offered by AxoGen pursuant to a shelf registration statement on Form S-3 previously filed with the Securities and Exchange Commission (the "SEC"), which the SEC declared effective on May 9, 2014. A preliminary prospectus supplement and accompanying prospectus relating to the offering will be filed with the SEC and will be available on the SEC's website located at <http://www.sec.gov>. Copies of the preliminary prospectus supplement and the accompanying prospectus may also be obtained from the offices of Wedbush Securities Inc., One Bush Street, 17th Floor, San Francisco, CA 94104, Attn: ECM Prospectus Department, by calling 415.274.6819, or by email at Vinnie.Devone@wedbush.com.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy these shares, nor shall there be any sale of these shares in any state or other jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such state or other jurisdiction.

About AxoGen, Inc.

AxoGen (NASDAQ: AXGN) is a leading medical technology company dedicated to peripheral nerve repair. AxoGen's portfolio of regenerative medicine products is available in the United States, Canada and several European countries and includes Avance® Nerve Graft, which AxoGen believes is the only off-the-shelf commercially available processed nerve allograft for bridging severed nerves without the comorbidities associated with a second surgical site, AxoGuard® Nerve Connector, a porcine submucosa extracellular matrix ("ECM") coaptation aid for tensionless repair of severed nerves, and AxoGuard®

Nerve Protector, a porcine submucosa ECM product used to wrap and protect injured peripheral nerves and reinforce the nerve reconstruction while preventing soft tissue attachments.

Avance® Nerve Graft is processed in the United States by AxoGen. AxoGuard® Nerve Connector and AxoGuard® Nerve Protector are manufactured in the United States by Cook Biotech Incorporated, and are distributed exclusively by AxoGen. AxoGen maintains its corporate offices in Alachua, Florida and is the parent of its wholly owned operating subsidiary, AxoGen Corporation.
