## About Coveo Solutions Inc.

We believe that relevance is critical for businesses to win in the new digital experience economy and to serve people the way they expect while ensuring optimal business performance, and that applied AI is an imperative to achieve these goals.

Coveo is a market-leading AI-powered relevance platform that injects search, recommendations, personalization, and merchandising intelligence into digital experiences such as commerce, service, website, and workplace applications. Coveo's platform is cloud-native SaaS, multi-tenant, API-first, and headless, and can easily integrate into almost any digital experience. Our solutions are designed to provide tangible value to our customers by helping to drive improvements in conversion, revenue, and margins, reduce customer support costs, increase customer satisfaction and website engagement, and improve employee proficiency and satisfaction.

Our AI platform powers digital experience relevance for many of the world's most innovative brands, serving millions of people and billions of interactions, and is supported by a large network of global systems integrators and implementation partners. Coveo is a Salesforce ISV Partner, a Global SAP CX Partner, and an Adobe Accelerate Exchange Partner.

Coveo is a trademark of Coveo Solutions Inc.
