Cemtrex to Feature and Demo SmartDesk on Opening Day of LD Micro on June 4th

SmartDesk, Cutting-Edge Workstation, Now Available for Pre-Order

Farmingdale, NY, June 01, 2018 (GLOBE NEWSWIRE) -- [Cemtrex Inc.](#) (Nasdaq: CETX, CETXP, CETXW), a world leading technology and manufacturing company, today confirmed the time and date of their presentation at this year's LD Micro Invitational Conference in Los Angeles, CA. Cemtrex will be on-hand to present and demonstrate their newest product, the SmartDesk, the most advanced workstation on the market, which launched last week and is currently available for pre-order. The presentation will take place at 12:00pm PT on Monday, June 4th, the opening day of the conference.

Cemtrex unveiled the [SmartDesk](#) on May 22, 2018 and began taking pre-orders for the workstation immediately. At the conference, Saagar Govil, Chairman and CEO of Cemtrex, will present the desk and meet with interested investors. Conference attendees will also have the opportunity to demo the SmartDesk, with a Cemtrex representative on-hand to answer questions and facilitate pre-orders.

A seamless blend of cutting-edge design, futuristic hardware, and groundbreaking productivity software, the SmartDesk is the personal workspace reinvented. Boasting 72 inches of multi-touch displays with Cemtrex's proprietary STARK Gesture System for hands-free control, a built-in keyboard and trackpad, integrated VOIP technology, hidden document scanner, and more, the SmartDesk allows users to work in a way that they've never experienced before.

"As a company with almost two decades of experience in the tech and manufacturing industry, we know how important LD Micro truly is, both for investors and for businesses," said Cemtrex's CEO and Chairman, Saagar Govil. "This is where companies on the leading edge of technology come to demo their newest products, and it's the perfect venue to showcase the SmartDesk."
