Cemtrex to Present SmartDesk at 2018 Pepcom Digital Experience! East on June 21

SmartDesk reimagines the office workstation in the age of the “Internet of Things”

Farmingdale, NY, June 19, 2018 (GLOBE NEWSWIRE) -- Cemtrex Inc. (Nasdaq: CETX, CETXP, CETXW), a world leading technology and manufacturing company, today announced the showcase of their hotly anticipated flagship smart device, the SmartDesk, at this year's Pepcom Digital Experience!® East. The event will take place in from 5:30 to 8:30pm in New York City on June 21, 2018. A SmartDesk will be on-site, and representatives from Cemtrex will be on-hand to assist in demonstrations.

Cemtrex's SmartDesk is poised to be most advanced workstation on the market. A blend of futuristic hardware and groundbreaking productivity software, the SmartDesk delivers an efficient user experience in a luxurious package. With a 72-inch, high resolution multi-touch display (with integrated proprietary touch and touchless gestures as well as the ability to draw and scan documents directly on the desk), wireless connectivity for full access to the cloud and next generation wireless charging capabilities for mobile devices, the SmartDesk is the next step in the evolution of the modern workplace.

“Pepcom East offers an incredible opportunity to debut our state-of-the-art SmartDesk to the tech world's most influential reporters, editors, writers, and analysts said Cemtrex's CEO and Chairman, Saagar Govil. “The SmartDesk will do for workstations what the smartphone did for mobile communications. This revolutionary new product will bring the home or office working environment firmly into the 21st century, and Pepcom is the perfect venue to introduce the desk to the public.”

Since the announcement of the SmartDesk last month, Cemtrex has received overwhelming interest in the workstation, including stellar media coverage. In a recently released video, CNET praised the design and functionality of the SmartDesk, declaring, “Productivity has never looked so sexy.” For more information regarding the SmartDesk as updates are announced, please visit <https://smartestdesk.com>.

Cemtrex will be exhibiting in the Metropolitan Pavilion.
