Cemtrex Secures \$1M Security Technology Order from Major Middle Eastern Media Group

Flagship Deployment of NEXT Platform Reinforces Vicon's Growth Momentum in Fiscal 2025

Hauppauge, NY, May 07, 2025 (GLOBE NEWSWIRE) -- - Vicon Industries, a subsidiary of Cemtrex Inc. (Nasdaq: CETX) and a leading provider of advanced security and surveillance solutions, today announced it has secured a significant new order valued at approximately \$1 million from one of Saudi Arabia's leading media and broadcasting organizations. The order includes the company's latest innovation, the **NEXT Modular Sensor System**, and marks a major milestone for Vicon's expansion into the Gulf region.

The comprehensive deployment spans hundreds of advanced starlight dome and bullet cameras, enterprise-grade Valerus video management licenses, and multiple high-capacity recording servers, all supported by Vicon's award-winning software and hardware platforms. Notably, the order includes **NEXT**, Vicon's newly launched flagship camera platform that integrates AI-enhanced imaging, real-time communication, and modular design into a single rapid-deployment solution.

"This win reflects the growing global demand for intelligent, design-forward security systems and validates NEXT as a category-defining product," said *Saagar Govil*, Chairman and CEO of Cemtrex. "We're proud to support one of the most respected media organizations in the region with a solution that matches their scale, complexity, and need for real-time operational insight."

The systems are scheduled to begin deployment this quarter, supporting critical broadcast infrastructure across multiple locations. The client, which requested confidentiality, has also indicated the potential for future orders tied to ongoing infrastructure upgrades.

This contract marks Vicon's first major NEXT deployment in the Middle East and positions the company as a preferred security technology partner in one of the world's fastest-growing markets. The win also highlights Cemtrex's continued execution on its 2025 growth strategy, anchored in innovation, international expansion, and product leadership.

About Cemtrex

Cemtrex, Inc. (Nasdaq: CETX) is a diversified technology company operating in the Security and Industrial sectors.
