Hanover Portfolio Acquisitions to Present at FSX Investment Conference in Dallas on February 8, 2013

LOS ANGELES, CA -- (MARKETWIRE) -- 01/28/13 -- Hanover Portfolio Acquisitions (OTCQB: HVPA) will be presenting its investment opportunity to an audience of principals and key decision makers of broker/dealers and financial firms at the [FSX Investment Conference](#) to be held in Dallas, Texas from February 7th to 9th, 2013. The Company's Founder and CEO Alan Collier will present at 11:50 am on Friday, February 8th.

The Company's investor presentation will include:

- An overview of the Company's business model of monetizing intellectual property
- A review of its current portfolio of technologies and the markets they address
- Profile of its management team and advisors with strong track records in licensing and technology monetization

About FSX

FSX is the premier investment conference organization in the United States. Founded in 1983, FSX is a national organization comprised of independent FINRA broker/dealer firms. Through a series of regularly scheduled investment conferences, FSX brings these firms together with the purpose of sharing information and showcasing investment opportunities.

About Hanover Portfolio Acquisitions

Hanover Portfolio Acquisitions is an intellectual property investment and monetization company focused on creating shareholder value through joint ventures, licensing and direct investments in innovative technologies. The Company specializes in healthcare, energy, consumer electronics, and internet related technologies.

Safe Harbor Statement

This press release contains information that constitutes forward-looking statements made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. All statements, trends, analysis, and other information contained in this press release including words such as "anticipate," "believe," "plan," "estimate," "expect," "intend," and other similar expressions of opinion, constitute forward-looking statements. Any such forward-looking statements involve risks and uncertainties that could cause actual results to differ materially from any future results described within the forward-looking statements. Risk factors that could contribute to such differences include those matters more fully disclosed in the Company's reports filed with the Securities and Exchange Commission. The forward-

looking information provided herein represents the Company's estimates as of the date of the press release, and subsequent events and developments may cause the Company's estimates to change. The Company specifically disclaims any obligation to update the forward-looking information in the future. Therefore, this forward-looking information should not be relied upon as representing the Company's estimates of its future financial performance as of any date subsequent to the date of this press release.
