Cheniere Energy to Attend Wolfe Research Power & Gas Leaders Conference

HOUSTON, Sept. 23, 2016 /PRNewswire/ -- Cheniere Energy, Inc. ("Cheniere") (NYSE MKT: LNG) announced today that Jack Fusco, President and Chief Executive Officer, and Anatol Feygin, Executive Vice President and Chief Commercial Officer, will participate in the Wolfe Research Power & Gas Leaders Conference in New York City on September 27, 2016. Mr. Fusco will present at the conference at 1:00pm ET.

Presentation materials will be available on the Investor Relations section of the Cheniere website at www.cheniere.com prior to the opening of the market on Tuesday, September 27, 2016.

About Cheniere

Cheniere Energy, Inc., a Houston-based energy company primarily engaged in LNG-related businesses, owns and operates the Sabine Pass LNG terminal in Louisiana. Directly and through its subsidiary, Cheniere Energy Partners, L.P., Cheniere is developing, constructing, and operating liquefaction projects near Corpus Christi, Texas and at the Sabine Pass LNG terminal, respectively. Cheniere is also exploring a limited number of opportunities directly related to its existing LNG business.
