## **NetSol Technologies Announces the Opening of NetSol University North America**

EMERYVILLE, CA -- (MARKET WIRE) -- 11/10/08 -- NetSol Technologies Inc. "NetSol" (NASDAQ: NTWK) (DIFX: NTWK), a U.S. corporation providing global business services and enterprise application solutions to private and public sector organizations worldwide, today announced the opening of NetSol University North America (NUNA), located at NetSol's new global headquarters, in Emeryville, California.

"NetSol University North America has been chartered to support continuing education as it pertains to industry sponsored education and development programs," stated Najeeb Ghauri, Chairman and Chief Executive Officer of NetSol Technologies. "We believe that training is a key element in ensuring both client productivity and an appreciable return on human capital investments."

The NUNA utilizes a state-of-the-art training center, complete with the latest in audio/video, Internet, and wireless technologies and has been designed to facilitate all forms of classroom lectures, Webinars, tele-training, product demonstrations, and evaluations.

The current course curriculum for 2009 includes introductory and advanced instruction in all components of the NetSol Financial Suite, including LeasePak, Contract Management System (CMS), Wholesale Finance System (WFS) and Credit Application & Processing (CAP).

"NetSol has a continuing commitment to providing not only detailed training on all of the NetSol Financial Suite product offerings, but training in SAP, Business Objects, CMMI process improvement and ISO compliance," stated Mitch Van Wye, NetSol Technologies Chief Operating Officer. "Our center will also serve to facilitate presentations by business leaders, industry associations, and thought leadership professionals lecturing on topics of interest to our clients."

About NetSol Technologies Inc.

NetSol Technologies (NASDAQ: NTWK) (DIFX: NTWK) is a U.S. corporation providing global business services and enterprise application solutions to private and public sector organizations worldwide. NetSol uses its BestShoring(TM) practices and highly experienced resources in analysis, development, quality assurance, and implementation to deliver high-quality, cost-effective solutions. Organized into specialized industries, these product and

services offerings include portfolio management systems for the financial services industry, consulting, custom development, systems integration, and technical services for the global healthcare, insurance, real estate, and technology markets. NetSol's commitment to quality is demonstrated by its achievement of the ISO 9001, ISO 279001, and SEI (Software Engineering Institute) CMMI (Capability Maturity Model) Maturity Level 5 assessments, a distinction shared by fewer than 100 companies worldwide. NetSol Technologies' clients include Fortune 500 manufacturers, global automakers, financial institutions, technology providers, and governmental agencies. With its global headquarters located in Emeryville, California, NetSol Technologies has operations and offices in London, Los Angeles, Sydney, Beijing, Bangkok, and Lahore.
