NetSol Technologies to Participate in NASDAQ OMX Group's First Middle East Investor Conference November 20

NetSol to Participate in NASDAQ Opening Bell Ceremony From Dubai

EMERYVILLE, CA -- (MARKET WIRE) -- 11/18/08 -- NetSol Technologies Inc. "NetSol" (NASDAQ: NTWK) (DIFX: NTWK), a U.S. corporation providing global business services and enterprise application solutions to private and public sector organizations worldwide, today announced that Naeem Ghauri, President of NetSol Technologies Europe, will present at the NASDAQ OMX Group's first Middle East Investor Conference in Dubai on Thursday, November 20, 2008.

The event, to be held jointly with the Dubai International Financial Exchange (DIFX), will provide the Middle Eastern investor community an opportunity to meet with senior NetSol management and learn more about NetSol's strategies and product offerings for the Middle Eastern markets.

In addition to presenting NetSol's business strategy and outlook, Naeem Ghauri will also be a featured speaker along with senior representatives from LM Ericsson Telephone Company and Juniper Networks, Inc. during the conference's technology discussion panel. A webcast of all panel discussions will be available in listen-only mode online at http://investor.shareholder.com/nasdaq/Dubai_Nov2008/.

Mr. Ghauri will join other senior management participating at the NASDAQ opening bell ceremony in Dubai. The ceremony will be broadcast live internationally from the Dubai International Financial Centre and displayed on the NASDAQ MarketSite Tower in Times Square, New York, New York.

In light of the current extraordinary global financial market conditions, NASDAQ recently announced it has suspended its minimum \$1 closing bid price and minimum market value of publicly held shares requirements through January 16, 2009. The temporary suspension allows NASDAQ companies whose share price may have closed trading below \$1 to focus on running their businesses through these extraordinary market conditions.

About NASDAQ OMX GROUP

The NASDAQ OMX Group, Inc. is the world's largest exchange company. It delivers trading, exchange technology and public company services across six continents with over 3,900

listed companies. NASDAQ OMX offers multiple capital raising solutions to companies around the globe, including its U.S. listings market; the OMX Nordic Exchange, including First North; and the 144A PORTAL Market. The company offers trading across multiple asset classes including equities, derivatives, debt, commodities, structured products and ETFs. NASDAQ OMX technology supports the operations of over 70 exchanges, clearing organizations and central securities depositories in more than 50 countries. OMX Nordic Exchange is not a legal entity but describes the common offering from Nasdaq OMX exchanges in Helsinki, Copenhagen, Stockholm, Iceland, Tallinn, Riga, and Vilnius.
