Janus International Group Introduces the NS Series Self-Storage Door Solutions

TEMPLE, Ga.--(BUSINESS WIRE)-- Janus International Group, Inc. (NYSE: JBI) ("[Janus](#)" or the "Company"), a leading provider of cutting-edge access control technologies and building product solutions for the self-storage and other commercial and industrial sectors, is introducing two new roll-up door solutions (the "NS Series") engineered to provide a heightened level of safety and security for self-storage facilities.

The NS Series incorporates an enhanced design that includes anchored guides on the floor, ensuring stability and durability. A robust lower bar, equipped with secure clips that smoothly glide within the guides, combines with firmly anchored support angles on the floor to provide elevated strength and support.

The NS Series comes in two options: the NS+ Door and the NS Retrokit. The NS+ Door is ideal for door replacements as well as new construction. This door includes six 9-gauge security clips that extend fully into the guide. It also comes with 14-gauge support angles screwed into the floor for maximum support, as well as a reinforced, roll-formed clear acrylic coated galvanized steel bottom bar.

The NS Retrokit is not a door, but a package that can be installed on existing Janus doors. This package has many of the NS+ Door features, but the NS Retrokit includes two 9-gauge security clips that extend fully into the guide.

"Theft is becoming an increasingly important issue within our industry, and the NS+ Door and the NS Retrokit aggressively answer the need for a higher-level security package that combats theft and is intended to keep tenants' valuable possessions as safe as possible," said Morgan Hodges, Executive Vice President of Janus.

The NS Series represents an ideal complement to Janus's existing R3 Program. R3 (Restore, Rebuild, Replace) focuses on replacing storage unit doors, optimizing unit mix and idle land, and adding a more robust security solution, providing owner-operators the opportunity to charge higher rental rates and stay ahead of the competition.

"The NS+ Door and the NS Retrokit are even more proof that Janus provides some of the best security packages in the self-storage industry. Both of these options provide the ultimate in protection and are intended to help reduce break-ins at your facility," said Troy Bix, President of Janus's R3 division.

About Janus International Group

Janus International Group, Inc. (www.JanusIntl.com) is a leading global manufacturer and supplier of turn-key self-storage, commercial, and industrial building solutions, including roll-

up and swing doors, hallway systems, re-locatable storage units and facility and door automation technologies. The Janus team operates out of several U.S. locations and six locations internationally.

Forward Looking Statements

Certain statements in this communication may be considered “forward-looking statements” within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. All statements other than statements of historical fact included in this communication are forward-looking statements, including, but not limited to statements regarding Janus’s positioning in the industry, the anticipated benefits of the NS Series, Janus’s ability to strengthen its pipeline and deliver on its objectives, and Janus’s belief regarding the demand outlook for Janus’s products, including the NS Series, and the strength of the industrials markets. When used in this communication, words such as “may,” “should,” “could,” “would,” “expect,” “plan,” “anticipate,” “believe,” “estimate,” “intend,” “continue,” or the negative of such terms or other similar expressions, as they relate to the management team, identify forward-looking statements. Such forward-looking statements are based on the current beliefs of Janus’s management, based on currently available information, as to the outcome and timing of future events, and involve factors, risks, and uncertainties that may cause actual results in future periods to differ materially from such statements.

In addition to factors previously disclosed in Janus’s reports filed with the SEC and those identified elsewhere in this communication, the following factors, among others, could cause actual results to differ materially from forward-looking statements or historical performance: (i) risks of the self-storage industry; (ii) the highly competitive nature of the self-storage industry and Janus’s ability to compete therein; and (iii) the risk that the demand outlook for Janus’s products (including those referenced herein) may not be as strong as anticipated.

There can be no assurance that the events, results, or trends identified in these forward-looking statements will occur or be achieved. Forward-looking statements speak only as of the date they are made, and Janus is not under any obligation and expressly disclaims any obligation, to update, alter or otherwise revise any forward-looking statement, whether as a result of new information, future events or otherwise, except as required by law. This communication is not intended to be all-inclusive or to contain all the information that a person may desire in considering an investment in Janus and is not intended to form the basis of an investment decision in Janus. All subsequent written and oral forward-looking statements concerning Janus or other matters and attributable to Janus or any person acting on its behalf are expressly qualified in their entirety by the cautionary statements above and under the heading “Risk Factors” in Janus’s most recently filed Annual Report on Form 10-K and Quarterly Report on Form 10-Q, as updated from time to time in amendments and its subsequent filings with the SEC.
