## Orkin Establishes New International Franchise

ATLANTA, March 10, 2016 /PRNewswire/ -- Rollins Inc., a global services company (NYSE: ROL), announced today that the company, through its wholly-owned subsidiary, Orkin, expanded its presence in Asia with the addition of a new franchise in Kazakhstan.

"We are excited to expand our presence in Central Asia and believe that this new franchise provides a great opportunity for us, as we continue to grow our Orkin brand internationally," said Tom Luczynski, Orkin group vice president of global development and franchising.

The new franchise will offer a full range of commercial and residential pest control services.

The franchisee has completed the initial training at the company's award-winning training center in Atlanta, and will receive follow-up training in their country.

### **About Orkin, LLC**

Founded in 1901, Atlanta-based Orkin is an industry leader in essential pest control services and protection against termite damage, rodents and insects. The company operates more than 400 locations with almost 8,000 employees. Using a proprietary, three-step approach, Orkin provides customized services to approximately 1.7 million homeowners and businesses in the United States, Canada, Mexico, Europe, Central America, South America, the Middle East, the Caribbean, Asia, the Mediterranean and Africa. Orkin is committed to studying pest biology and applying scientifically proven methods. The company collaborates with the Centers for Disease Control and Prevention (CDC) and eight major universities to conduct research and help educate consumers and businesses on pest-related health threats.
