Coda Octopus Group Inc. Reports Fiscal Second Quarter 2017 Financial Results

ORLANDO, FL, June 15, 2017 - Coda Octopus Group, Inc. (CODA) (OTCQX: COGI) announced its unaudited financial results for the fiscal second quarter ended April 30, 2017.

CODA reported total revenue of \$5.279 million for the three months ended April 30, 2017 compared to \$5.746 million for the three months ended April 30, 2016. The Company reported net income of \$1.275 million for its fiscal second quarter 2017 compared to approximately \$1.583 for the comparable quarter of 2016. Operating expenses for the fiscal second quarter were \$1.888 million compared to \$1.791 million for the comparable quarter of 2016.

For the six months ended April 30, 2017 CODA achieved revenues of \$10.637 million, up from \$10.522 million for the first half of fiscal year 2016, and net income of \$2.847 million, up from \$1.872 for the first half of 2016. In the first half of the 2017 fiscal year, beginning November 1, 2016, revenues increased by 1.1% and net income increased by 52.1%, compared to the first half of fiscal year 2016. Total operating expenses for the first half of fiscal year 2017 compared to the first half of fiscal year 2016 were reduced by 1%, from \$3.578 million to \$3.545 million. Annamarie Gayle, CODA's CEO commented: "The results for the first six months of fiscal 2017 continue to show the significant progress being made by the Group. This is despite the challenges in the oil and gas market and the uncertainties regarding the U.S. Government's funding priorities in defense procurement following the Presidential election. However, even with these market headwinds, we are pleased that key indicators in our latest balance sheet include stockholders' equity that reached \$13.680 million on April 30, 2017, compared to \$10.155 million on October 31, 2016."

"We continue to believe that the fundamentals are in place for our operating business segments to continue to grow. We are pleased with the pace of progress of our next generation Research and Development program. We look forward to a number of new product launches incorporating our real-time 3D sonars in the next fiscal year. Overall we look forward to continued growth from each of our products and engineering services businesses in the months ahead."
