SiriusXM to Air Live Coverage of American Pharoah's Attempt at Triple Crown in Belmont Stakes June 6

11 hours of live coverage from Belmont Park on race day as colt attempts to become first Triple Crown winner since 1978

NEW YORK, June 1, 2015 /PRNewswire/ -- [SiriusXM](#) will offer listeners nationwide comprehensive coverage of the 2015 Belmont Stakes and the historic attempt by American Pharoah to achieve thoroughbred racing's illustrious Triple Crown.

On Saturday, June 6, SiriusXM will air live broadcasts originating from Belmont Park in Elmont, NY starting at 8:00 am ET and airing on SiriusXM Sports Zone, channel 92 on satellite radios, on the SiriusXM app and online at [SiriusXM.com](#). The pre-race coverage includes Horse Racing Radio Network's (HRRN's) exclusive coverage of the Belmont undercard stakes at 2:00 pm ET. It will lead into the live call of the 147th running of the Belmont Stakes, heard on SiriusXM Sports Zone via NBC Sports Radio, who will present live coverage from 5:00 – 7:30 pm ET (post time approximately 6:50 pm ET), produced in partnership with HRRN and Westwood One.

American Pharoah won the Kentucky Derby by a length on May 2, then turned in a remarkable performance on May 16 in the Preakness Stakes, where despite starting from the rail and running in sloppy conditions, he blew away the field to win by seven lengths. He, along with jockey Victor Espinoza, will attempt to become just the 12th Triple Crown winner in thoroughbred racing history, and the first since Affirmed won the elusive trifecta in 1978.

HRRN's Mike Penna will anchor the Belmont coverage along with analysts Jude Feld and Kurt Becker, with Sean Clancy and Jeff Bloom providing paddock commentary and interviews. NBC Sports Network's race caller Larry Collmus will provide the live Belmont call.

Pre-race coverage airing on SiriusXM will include HRRN's *Equine Forum* show, airing live from Belmont from 8:00 – 10:00 am ET with live interviews and analysis.

It will be followed by a special edition of *Down The Stretch*, hosted by Dave Johnson and Bill Finley, starting at 10:00 am ET. Johnson, the acclaimed track announcer, and Finley will provide listeners with day-of news and pre-race analysis, and interviews with jockeys, trainers and owners.

Throughout the week leading up to race day, *At The Races with Steve Bykairs* daily from 6:00 - 10:00 am ET featuring daily interviews with handicapping experts and trainers and an in-depth look at the field. (Sirius channel 220, XM channel 206 and channel 964 on the SiriusXM app.)

This communication contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about future financial and operating results, our plans, objectives, expectations and intentions with respect to future operations, products and services; and other statements identified by words such as "will likely result," "are expected to," "will continue," "is anticipated," "estimated," "believe," "intend," "plan," "projection," "outlook" or words of

similar meaning. Such forward-looking statements are based upon the current beliefs and expectations of our management and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are difficult to predict and generally beyond our control. Actual results may differ materially from the results anticipated in these forward-looking statements.

The following factors, among others, could cause actual results to differ materially from the anticipated results or other expectations expressed in the forward-looking statements: our competitive position versus other radio and audio service providers; our ability to attract and retain subscribers, which is uncertain; our dependence upon the auto industry; general economic conditions; changes in consumer protection laws and their enforcement; the security of the personal information about our customers; other existing or future government laws and regulations could harm our business; failure of our satellites would significantly damage our business; the interruption or failure of our information technology and communications systems; royalties we pay for music rights, which increase over time; the unfavorable outcome of pending or future litigation; our failure to realize benefits of acquisitions or other strategic initiatives; rapid technological and industry changes; failure of third parties to perform; failure to comply with FCC requirements; modifications to our business plans; our indebtedness; and our principal stockholder has significant influence over our management and over actions requiring stockholder approval and its interests may differ from interests of other holders of our common stock. Additional factors that could cause our results to differ materially from those described in the forward-looking statements can be found in our Annual Report on Form 10-K for the year ended December 31, 2014, which is filed with the Securities and Exchange Commission (the "SEC") and available at the SEC's Internet site (<http://www.sec.gov>). The information set forth herein speaks only as of the date hereof, and we disclaim any intention or obligation to update any forward looking statements as a result of developments occurring after the date of this communication.
