SiriusXM Goes Gavel to Gavel With Convention Coverage

Unprecedented audio coverage across seven original SiriusXM channels including P.O.T.U.S. Convention Radio; Patriot; Progress; Insight; Urban View; Business Radio Powered by The Wharton School, and Radio Andy!

Diverse perspectives and special content from Breitbart News, The Circus on SHOWTIME®, Yahoo News, Randi Zuckerberg, Dan Rather, and many more.

Former NYC Police Commissioner Ray Kelly to kick off special series with "Securing a Convention"

Plus live coverage from CNN, Fox News, Fox News Headlines 24/7, MSNBC, NPR, and more.

NEW YORK, July 7, 2016 /PRNewswire/ -- SiriusXM announced today its comprehensive live coverage of the Republican and Democratic National Conventions as well as a wide-variety of political programming across a broad-range of its news, talk and entertainment channels.

"SiriusXM's coverage of the 2016 political conventions will be broad, diverse, and unmatched in the audio space," said Scott Greenstein, SiriusXM President and Chief Content Officer. "Regardless of political persuasion, SiriusXM listeners will have choices like never before to hear every minute of each convention along with sharp political analysis and opinion across an unprecedented number of channels on our platform."

Beginning Monday, July 18th for the Republican National Convention and Monday, July 25th for the Democratic National Convention, SiriusXM will transform its non-partisan P.O.T.U.S. (Politics of The United States) channel into "Convention Radio" -- featuring uninterrupted, gavel to gavel coverage from the convention floor. P.O.T.U.S channel hosts including Tim Farley, Michael Smerconish, Julie Mason, Michael Steele, and Rick Ungar will broadcast from each convention city, with White House Correspondent Jared Rizzi reporting live from the convention floor. "Convention Radio" will also feature special programming with key news, politics, and entertainment brands including Olivier Knox from Yahoo News; Variety;

Politico; The Wall Street Journal; The Hill; Real Clear Politics, and a special with the hosts of the new SHOWTIME series *The Circus: Inside The Greatest Political Show on Earth*. The weekend before the opening gavel in Cleveland and Philadelphia, P.O.T.U.S. will present "Prelude to The Convention," featuring historic moments from past conventions, expert analysis on convention rules and protocol, a preview of the week ahead, and special panel discussions.

On Friday, July 15th at 1 pm ET, P.O.T.U.S. also broadcasts the first of a special six-show series with former New York City Police Commissioner Ray Kelly. Kelly's premiere episode will focus on "Securing a Convention." As NYC Police Commissioner, Kelly was responsible for the security preparations in New York for the 2004 Republican National Convention.

Convention Radio in each city is joined by a wide-ranging suite of content including special coverage on SiriusXM news channels including CNN, Fox News, Fox News Headlines 24/7, MSNBC, NPR, and exclusive programming from SiriusXM original channels including:

This communication contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about future financial and operating results, our plans, objectives, expectations and intentions with respect to future operations, products and services; and other statements identified by words such as "will likely result," "are expected to," "will continue," "is anticipated," "estimated," "believe," "intend," "plan," "projection," "outlook" or words of similar meaning. Such forward-looking statements are based upon the current beliefs and expectations of our management and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are difficult to predict and generally beyond our control. Actual results and the timing of events may differ materially from the results anticipated in these forward-looking statements.

The following factors, among others, could cause actual results and the timing of events to differ materially from the anticipated results or other expectations expressed in the forward-looking statements: our substantial competition, which is likely to increase over time; our ability to attract and retain subscribers, which is uncertain; consumer protection laws and their enforcement; the unfavorable outcome of pending or future litigation; the market for music rights, which is changing and subject to uncertainties; our dependence upon the auto industry; general economic conditions; the security of the personal information about our customers; existing or future government laws and regulations could harm our business; failure of our satellites would significantly damage our business; the interruption or failure of our information technology and communications systems; our failure to realize benefits of acquisitions or other strategic initiatives; rapid technological and industry changes; failure of third parties to perform; harmful interference to our service from new and existing wireless operations; our failure to comply with FCC requirements; modifications to our business plan; our indebtedness; our principal stockholder has significant influence over our affairs and over actions requiring stockholder approval and its interests may differ from interests of other holders of our common stock; and impairment of our business by third-party intellectual property rights. Additional factors that could cause our results to differ materially from those described in the forward-looking statements can be found in our Annual Report on Form 10-K for the year ended December 31, 2015, which is filed with the Securities and Exchange Commission (the "SEC") and available at the SEC's Internet site (<http://www.sec.gov>). The information set forth herein speaks only as of the date hereof, and we disclaim any intention or obligation to update any forward looking statements as a result of developments occurring after the date of this communication.
