Comedian Craig Ferguson Launches Daily Show Exclusively on SiriusXM

The Peabody and Daytime Emmy Award winner will host "The Craig Ferguson Show" on SiriusXM Comedy Greats weekdays starting February 27

NEW YORK, Jan. 26, 2017 /PRNewswire/ -- Today SiriusXM announced that the multi-talented Craig Ferguson will launch a daily program exclusively on SiriusXM. Broadcast live from Los Angeles, "The Craig Ferguson Show" will debut on Comedy Greats channel 94 starting Monday, February 27.

Known for his quick wit and frequently offbeat humor, Ferguson charmed millions of viewers during his decade-long run as the host of "The Late Late Show with Craig Ferguson" on CBS. The Scottish-born comedian rose to late night prominence for his wonderfully bizarre freeform monologues and informative interviews with everyone from movie stars to the Archbishop Desmond Tutu.

Ferguson will showcase his unique talents on his new two-hour SiriusXM show, which will feature his perspective on the news of the day and have celebrity interviews, sketches, and correspondent stories. SiriusXM subscribers will also be able to call into the show and talk directly with the comedian. "The Craig Ferguson Show" will air weekdays from 6:00 pm – 8:00 pm ET.

"This is premium quality drive-time entertainment. It's like *Game of Thrones* in your car without pictures. Also, given recent events on earth, I wanted to return to a daily show without the restriction of wearing pants or shaving [anywhere]," said Ferguson. "I look forward to working in an environment that has zero censorship and zero network interference. The melon-farmers at SiriusXM told me to say that."

"Craig Ferguson is a great broadcasting talent with a singular style, and we are thrilled that he is bringing his wit and talents to SiriusXM," said Scott Greenstein, President and Chief Content Officer, SiriusXM. "Throughout his impressive, award-winning career, Craig's irreverent charm has won over millions of Americans, while proving himself a true original. Now with his daily show on SiriusXM, Craig will deliver a completely original comedy show to our national audience, a commitment from a triple-threat talent that we are very excited to launch."

With an eclectic career that spanned the worlds of film, television, and stage, in 2004 Ferguson took on late night comedy as the host of CBS's "The Late Late Show with Craig Ferguson." His successful 10-year run landed him a Primetime Emmy nomination and a 2009 Peabody Award for Excellence in Broadcasting. In addition to its critical acclaim the show also set an all-time viewer record. A true renaissance man, for seven years Ferguson co-starred on "The Drew Carey Show," wrote and directed feature films, has received three Grammy nominations, published two *New York Times* bestselling books, played drums in British punk bands, and has performed standup comedy before sold-out audiences at Carnegie Hall, Radio City Music Hall, and all over the U.S. and Canada. He also won two Daytime Emmy Awards for Outstanding Game Show Host for the nationally syndicated "Celebrity Name Game."

In addition to Comedy Greats channel 94, SiriusXM subscribers can hear "The Craig Ferguson Show" via SiriusXM On Demand, through the SiriusXM app on smartphones and other connected devices, as well as online at www.siriusxm.com/player.

This communication contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about future financial and operating results, our plans, objectives, expectations and intentions with respect to future operations, products and services; and other

statements identified by words such as "will likely result," "are expected to," "will continue," "is anticipated," "estimated," "believe," "intend," "plan," "projection," "outlook" or words of similar meaning. Such forward-looking statements are based upon the current beliefs and expectations of our management and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are difficult to predict and generally beyond our control. Actual results and the timing of events may differ materially from the results anticipated in these forward-looking statements.

The following factors, among others, could cause actual results and the timing of events to differ materially from the anticipated results or other expectations expressed in the forward-looking statements: our substantial competition, which is likely to increase over time; our ability to attract and retain subscribers, which is uncertain; consumer protection laws and their enforcement; the unfavorable outcome of pending or future litigation; the market for music rights, which is changing and subject to uncertainties; our dependence upon the auto industry; general economic conditions; the security of the personal information about our customers; existing or future government laws and regulations could harm our business; failure of our satellites would significantly damage our business; the interruption or failure of our information technology and communications systems; our failure to realize benefits of acquisitions or other strategic initiatives; rapid technological and industry changes; failure of third parties to perform; harmful interference to our service from new and existing wireless operations; our failure to comply with FCC requirements; modifications to our business plan; our indebtedness; our principal stockholder has significant influence over our affairs and over actions requiring stockholder approval and its interests may differ from interests of other holders of our common stock; and impairment of our business by third-party intellectual property rights. Additional factors that could cause our results to differ materially from those described in the forward-looking statements can be found in our Annual Report on Form 10-K for the year ended December 31, 2015, which is filed with the Securities and Exchange Commission (the "SEC") and available at the SEC's Internet site (<http://www.sec.gov>). The information set forth herein speaks only as of the date hereof, and we disclaim any intention or obligation to update any forward looking statements as a result of developments occurring after the date of this communication.
